COMMITTEE RECOMMENDATION

The Planning & Zoning Commission in a 4 to 2 vote recommended **approval** of the special use permit.

STAFF RECOMMENDATION

A Special Use Permit is used for those types of uses that warrant individual attention on a case by case basis and should not be categorized in a zoning district. A Special Use Permit is basically an overlay on top of the existing zoning designation and can be limited in many respects, such as time, fencing, setbacks, landscaping, etc. A Special Use Permit is required for those tobacco shops located in B-3, B-4, M-1, or M-2.

Staff **does not support** the proposed special use permit for the following reasons:

1. The site does not meet the minimum distance requirement of 800 feet as per the Laredo Land Development Code Section 24.93.6, subsection (5). The measurement shall be made in a straight line, without regard to intervening structure or objects, from the nearest portion of the building or structure used to house the establishment to the nearest property line of the premises of a church or public or private elementary, middle or high school, a day care licensed by the state, a college or a university, public playgrounds, parks, or stadiums.
 - The building or structure that houses the establishment is approximately 555 feet from the nearest residential zoning district.
2. The proposed use does not meet the required parking requirement as per the Laredo Land Development Code Section 27.78.3.
 - Total parking spaces required for the proposed tobacco shop and commercial structure = 66 parking spaces
 - Proposed tobacco shop requires = 7 parking spaces
 - Required remaining commercial structure = 59 parking spaces
 - Actual amount identified on site plan = 61 parking spaces
 - Therefore, the proposed site would need an additional 5 parking spaces.

General Comments:

1. The approval of the special use permit does not guarantee the issuance of the building permit.
2. The use authorized by the special use permit is required to abide by all relevant municipal codes.

If approved, Staff suggests the following conditions:

1. The Special Use Permit is issued to Ibrahim Alnimer, and shall be non-transferal.

Any change in ownership interest (occurring by virtue of the transfer of a majority of its stock or a majority of its membership interest) shall be deemed a transfer of the business and the existing special use permit shall be null, void and of no force or effect. In every instance of transfer of ownership a new special use permit application is required to be submitted and shall be processed as a new special use permit request.
21. The approval of the special use permit does not guarantee the issuance of the building permit.
22. The use authorized by the special use permit is required to abide by all relevant municipal codes.

Staff **does not support** the application.

Is this change contrary to the established land use pattern?

There are several commercial uses within the vicinity.

Would this change create an isolated zoning district unrelated to surrounding districts?

No, the zone will not change.

Will change adversely influence living conditions in the neighborhood?

Possibly.

Are there substantial reasons why the property cannot be used in accordance with existing zoning?

Yes. The underlying zone requires the special use permit overlay to allow for a Tobacco Shop.
