

BID - 36in Water Transmission Main from Jefferson Water Treatment Plant to E of Zacate Creek

[illegible]

[illegible]

BID BOND

TRAVELERS CASUALTY AND SURETY COMPANY OF AMERICA Hartford, Connecticut 06183

CONTRACTOR:

(Name, legal status and address)
Southern Trenchless Solutions, LLC
PO Box 8084
Weslaco, TX 78599

SURETY:

(Name, legal status and principal place of business)
Travelers Casualty and Surety Company of America
9601 McAllister Freeway
Suite 700
San Antonio, TX 78216

OWNER:

(Name, legal status and address)
City of Laredo

BOND AMOUNT: \$25,000,000

PROJECT:

(Name, location or address, and Project number, if any)
36" Water Transmission Main from Jefferson Water Treatment Plant to East of Zacate Creek

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

Signed and sealed this C21st day of December, 2023

POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS: That Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company are corporations duly organized under the laws of the State of Connecticut (herein collectively called the "Companies"), and that the Companies do hereby make, constitute and appoint **Magda E Escandon** of **MERCEDES**, Texas, their true and lawful Attorney(s)-in-Fact to sign, execute, seal and acknowledge any and all bonds, recognizances, conditional undertakings and other writings obligatory in the nature thereof on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

IN WITNESS WHEREOF, the Companies have caused this instrument to be signed, and their corporate seals to be hereto affixed, this **21st** day of **April**, 2021.

State of Connecticut

City of Hartford ss.

By: 
 Robert L. Raney, Senior Vice President

On this the **21st** day of **April**, 2021, before me personally appeared **Robert L. Raney**, who acknowledged himself to be the Senior Vice President of each of the Companies, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of said Companies by himself as a duly authorized officer.

IN WITNESS WHEREOF, I hereunto set my hand and official seal.

My Commission expires the **30th** day of **June**, 2026

 Anna P. Nowik, Notary Public

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of each of the Companies, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of each of the Companies, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this **20th** day of **December**, 2023

 Kevin E. Hughes, Assistant Secretary

PROJECT: "36-Inch Water Transmission Main from Jefferson Water Treatment Plant to East of Zacate Creek"

Pursuant to Notice to Bidders, the undersigned bidder hereby proposes to furnish the labor, materials, and equipment in accordance with the plans and specifications, general conditions of the agreement, special provisions of the Agreement, and Addenda, if any. The bidder binds himself upon acceptance of his proposal to execute a contract and bonds accompanying form of performing and completing the said work within the time stated as required by the detailed specifications at the following unit prices. The quantities shown below are based on the Engineer's estimate of quantities and it is agreed that the quantities may be increased or diminished, and may be considered necessary in the opinion of the City of Laredo, Texas to complete the work fully as planned and contemplated, and that all quantities of work, either increased or decreased, are to be performed at the unit prices set forth below (except as provided in the General Conditions of the Agreement or the specifications, the contract documents).

ContractorAddress: P O Box 8084
Weslaco, TX 78599**PROJECT: 36-Inch Water Transmission Main from Jefferson Water Treatment
Plant to East of Zacate Creek**

Attn: Honorable Victor D. Trevino

Pursuant to Notice to Bidders, the undersigned bidder hereby proposes to furnish the labor, materials, and equipment in accordance with the plans and specifications, general conditions of the agreement, special provisions of the Agreement, and Addenda, if any. The bidder binds himself upon acceptance of his proposal to execute a contract and bonds accompanying form of performing and completing the said work within the time stated as required by the detailed specifications at the following unit prices. The quantities shown below are based on the Engineer's estimate of quantities and it is agreed that the quantities may be increased or diminished, and may be considered necessary in the opinion of the City of Laredo, Texas to complete the work fully as planned and contemplated, and that all quantities of work, either increased or decreased, are to be performed at the unit prices set forth below (except as provided in the General Conditions of the Agreement or the specifications, the contract documents).

RAMON CLOSNER

Laredo, Texas · (956) 744-2600
ramon@southerntrenchless.com

OBJECTIVE

To provide cost effective solutions for today's aging infrastructure through trenchless rehabilitation construction.

EXPERIENCE

2009 – PRESENT

CEO, SOUTHERN TRENCHLESS SOLUTIONS, LLC

Responsible for operations, estimating, marketing, finance and budgeting for the company

2004 – 2012

PRESIDENT SOUTHERN TRENCHLESS SOLUTIONS, LLC.

Responsible for entire supervision of division

EDUCATION

2000- 2004

LAREDO COMMUNITY COLLEGE

1996 – 1997

BLINN COLLEGE

SKILLS

- More than 20 years in construction supervision, contracting, estimating, purchasing, budgeting and invoicing. Experience in full on-site construction management and land development: effectively schedule, monitor and inspect all work from start to customer orientation. Experience in the total management of construction companies from business development, financing and marketing.

ACTIVITIES

I am currently the chairman for a cancer foundation named The Light of Hope. This is a foundation that is based on assisting cancer patients with travels for chemo therapy. Being a cancer survivor myself, it is a matter I am very passionate about.

RR 4 BOX 119-P MERCEDES, TX
(956)565-1147

MARIO SALAZAR

PERSONAL

A personal view of who I am. First of all, I like to perform my job successfully. I also have the ability to write simple correspondence. Also effectively present information in one-on-one and small group situations to customer, clients, and other employees of the organization. I've also worked in previous construction sites, so I can easily adapt to my surroundings. For example, harsh climate such as hot weather conditions. So in case any heavy physical demands were expected I would have no problems to meet them head on.

SUMMARY OF QUALIFICATIONS

April 4, 2004 to February 2, 2006, Echostar, Harlingen Tx.

- Technical Service Representative III Inbound/Outbound calls
- Was also given a PAW award. Which is given to representatives who take pride in there job, and are over achieving the companies expectations.
- Was also instructed by upper management to direct and instruct the new employees as they went onto the floor.

WORK OF EXPERIENCE

January 4, 2002 to March 30, 2004, Independent Lawn Care, Mercedes Tx.

- Field Specialist/ Supervisor
- Was in charge of making the work orders. Also, second in command when out in the job. Making sure customers were 100% satisfied with work that is being done.

EDUCATION

Mercedes High School, Mercedes, Tx.

Diploma - Focused on Math, English, and Writing

EXTRACURRICULAR ACTIVITIES

Participated on V.I.C.A. (Vocational Industrial Classes of America) mainly on Building Trades at a level I and II, Got 1st place twice in state competition. With project that was done by hand by me.

LANGUAGES

ENGLISH - SPANISH

Can read and write fluently at a professional level.

- Hand Tool Operation
- On-Site Personnel Safety
- Site Safety Coordinator
- Heavy Equipment Operator
- Management Team
- Project Superintendent
- Site Safety
- Change Order Requests

Work History

Construction Superintendent / Construction Manager, 01/2012 to Current

Sal Construction – La Feria, TX

- Reviewed plans and specs during the schematic design of pre-construction.
- Coordinated utility service providers according to project schedules.
- Obtained building and specialty permits from local jurisdictional agencies.
- Conducted weekly production and operations contractor meetings, which facilitated stronger communication and the ability to resolve critical issues.
- Performed regular job site observations to provide direction for all general contractor personnel.
- Reported to the vice president of production on conformance with the contract schedule.
- Conducted all critical pre-installation conferences with general contractors, subcontractors,

consultants and manufacturer's representatives.

- Worked with construction administration consultants to plan field observations on schedule.
- Digitally archived weekly progress and technical "Knowledge Base" photographs of all assigned projects.
- Prepared and followed through on all required punch lists.
- Determined the project schedule, which included the sequence of all construction activities.

Construction Operator, 01/2006 to 01/2012

Z-TECH CONSTRUCTION – WESLACO, TX

- Maintained equipment in good working order by checking fluid levels and greasing and fueling machines.
- Immediately communicated any equipment issues to the supervisor.
- Located utilities and other buried lines prior to digging.
- Kept efficient time and material records.
- Bore Operator
- Company Changed my position to Company Foreman
- Determined the project schedule, which included the sequence of all construction activities.
- Prepared and followed through on all required punch lists.
- Digitally archived weekly progress and technical "Knowledge Base" photographs of all assigned projects.
- Worked with construction administration consultants to plan field observations on schedule.
- Performed regular job site observations to provide direction for all general contractor personnel.
- Conducted weekly production and operations contractor meetings, which facilitated stronger communication and the ability to resolve critical issues.
- Obtained building and specialty permits from local jurisdictional agencies.
- Coordinated utility service providers according to project schedules.
- Reviewed plans and specs during the schematic design of pre-construction.

Labour, Equipment Operator, Pipe Layer, 01/2002 to 01/2006

Big Buck Construction – McAllen, TX

- Repaired and tested fire hydrants.
- Consistently assumed additional responsibilities and worked extended hours to meet project deadlines.
- Prepared and cleaned construction sites by removing debris.
- Loaded and unloaded building materials used for construction.
- Maintained equipment in good working order by checking fluid levels and greasing and fueling machines.
- Immediately communicated any equipment issues to the supervisor.

- Located utilities and other buried lines prior to digging.
- Accurately read, understood, and carried out written instructions.
- Attended monthly safety meetings to ensure machine operation safety.
- Followed company procedures to maintain work environment in a neat and orderly condition.
- Operate Backhoe, Mini-Excavator, Loader
- Started as a pipe layer assistant then moved up to a pipe layer
- The company then started a bore Crew and made me the crew leader and operator of the bore

Pipeline Laborer, 01/1999 to 01/2002

Grab pipeline – Weslaco, Texas

- Prepared and cleaned construction sites by removing debris.
- Monitored inventory and reported items to be restocked for each job.
- Consistently assumed additional responsibilities and worked extended hours to meet project deadlines.
- Repaired and tested fire hydrants.
- Conducted hydrostatic water testing.
- Dug trenches, backfilled holes and compacted earth to prepare for new construction.
- Safe Job Site
- Hand Tool Operation
- On-Site Personnel Safety
- Effective Communication
- Site Safety
- Started as a Labor but moved immediately as a pipe layer assistant for sewer and water line.

ADDENDUM NO. 1

Date of Addendum No.1: December 15, 2023

12/15/2023

PROJECT: 36-INCH WATER TRANSMISSION MAIN FROM JEFFERSON WATER TREATMENT PLANT TO EAST OF ZACATE CREEK

BID DATE: **December 20, 2023 at 4:00 P.M.** (There is no change to the Bid Date.)

FROM: Chris Campbell, P.E.
Binkley & Barfield, Inc.
1710 Seamist Drive
Houston, Texas 77008

TO: **Prospective Bidders**

This Addendum forms a part of the Bidding Documents and will be incorporated into Contract Documents, as applicable. Insofar as the original Project Manual and Drawings are inconsistent, this Addendum governs. **Your proposal must indicate acknowledgement of this Addendum in the spaces provided on the Bid forms. FAILURE TO DO SO MAY SUBJECT BIDDER TO DISQUALIFICATION.**

PURPOSE

The purpose of this addendum is to replace previously issued Documents and address questions asked on CivCast.

CHANGES TO CONTRACT DOCUMENTS

1. None.

CHANGES TO SPECIFICATIONS

1. Replace Table of Contents in its entirety.
 - a. Section 151 - Cathodic Protection for Waterlines (BBI) has been added to the Table of Contents.
2. Replace Section A-6a - Bid Form in its entirety.
 - a. Item 12 – Inserted line to input bid “dollars and cents” amount.
 - b. Item 18 – Cathodic Protection System has been added to Section A-6a - Bid Form.
 - c. Item 45 - Cash Allowance for Union Pacific Railroad Inspectors has been added to Section A-6a - Bid Form.
3. Add Section 151 Cathodic Protection for Waterlines (BBI) to the Project Manual.

CHANGES TO DRAWINGS

1. Replace Sheet No. 4 – Sheet Index.
 - a. Sheet 69 – Water Line Cathodic Protection Details 1 of 2 has been added to the Sheet Index.
 - b. Sheet 70 – Water Line Cathodic Protection Details 2 of 2 has been added to the Sheet Index.
2. Add Sheet 69 – Water Line Cathodic Protection Details 1 of 2 to the drawing set.
3. Add Sheet 70 – Water Line Cathodic Protection Details 2 of 2 to the drawing set.

QUESTIONS AS RECEIVED ON WWW.CIVCAST.COM

1. **Q1:** Is bar wrapped pipe or steel pipe approved for an alternative?
A1: No. Only PVC or Ductile Iron Pipe are allowed.
2. **Q2:** How was the engineers estimate figured? The first round of bids were double the engineers estimate?
A2: This information will not be posted.
3. **Q3a:** What kind of pipe will the 36"x36" top be performed on?
A3a: Ductile iron pipe
Q3b: What are the tapping sleeve and valve specs?
A3b: The tapping sleeve and valve spec is Section 152 - Tapping Sleeves and Valves (BBI) in the Project Manual
Q3c: Prevailing wage?
A3c: This project does not require a prevailing wage

- Q3d:** Ais?
- A3d:** We understand this is asking about American Made products or American steel. American Made requirements will be considered on a component basis. Only American made pipe and mechanical joint fittings are allowed.
4. **Q4:** After reading over the plans and specs, I didn't see whether the trenchless portions of this project were jack-and-bore or HDD. Could you please point me to the place where this information is located in the plans?
A4: Instructions and details for trenchless (tunneling) portions of this project are provided in the plans on the P&P sheets at each trenchless construction location and on Sheet 34 – Tunnel and Casing Details. Additional information can be found in the Project Manual in Section 126 – Jacking and/or Boring Pipe and Casing, Section 815 – Water Line in Tunnels (BBI), Section 816 – Tunnel Shafts (BBI), Section 817 – Tunnel Excavation and Primary Liner (Large Diameter)(BBI), and Section 818 – Tunnel Grout (BBI).
 5. **Q5:** Are Fiberglass Manways/Manholes Approved instead of Concrete?
A5: No, fiberglass manways/manholes are not allowed.
 6. **Q6:** Is there an option to submit bids online/virtually? Thanks
A6: No. All bids will be submitted in accordance with the instructions in the bid documents.
 7. **Q7:** Is it acceptable for the bid date of this project to be pushed to the first week of January?
A7: The bid date will remain as is currently shown in the bid documents.
 8. **Q8:** Please confirm that the RailPro inspection fees will be covered under line item 43 - Contingency for Unforeseen Conditions as a rate for flagger and inspection fees will not be given without a contract and folder number.
A8: A cash allowance will be added to the bid form for the UPRR inspector fees.
 9. **Q9:** Please place the price tabulation from the last bid posted on Civcast.
A9: The original bids were disqualified and, therefore, will not be shared.
 10. **Q10:** Kindly post the previous bid results on this project for everyone to see.
A10: The original bids were disqualified and, therefore, will not be shared.
 11. **Q11:** Will a link be provided to a virtual call in of the bid opening?
A11: Yes. Please send an e-mail to ggarza2@ci.laredo.tx.us on the day of the bid opening, which is Thursday, December 21, at 2:00 pm. The invite to the virtual bid opening will be provided back to all e-mail requests.
 12. **Q12:** Will the clock start for the 210 days when the project is awarded or when the material for the project is received? Talking to suppliers the materials for this project are 4 months out or more from approval.
A12: The schedule is **210 Working Days** and it starts with the date of the Contractor's Notice to Proceed. Working Days for the City of Laredo are Monday through Friday 8:00 am to 5:00 pm, except for City holidays, so weekends and City holidays do not count against the contract schedule.

13. **Q13:** Will excavated materials meet backfill requirements for trench backfill or will import be required. If import is required will this material be paid for under Item 43?
A13: Backfill material requirements can be found in Section 102 Excavation and Backfill for Utilities and Section SP102 Special Provision to Excavation and Backfill for Utilities (BBI). Additionally, backfill requirements can be found in the plans on Sheet 33 Excavation & Backfill Details. Backfill material will be paid under Items 8 and 11 through 15 for 36" pipe or under Items 8A, 11A, 12, 13A, 14A, and 15 for 42" pipe.

EDUCATION: Master of Business Administration (MBA) August 2018
Texas A&M University Corpus Christi, Corpus Christi, TX

Bachelor of Science in Mechanical Engineering (BSME) May 2016
University of Texas at San Antonio, San Antonio, TX

CERTIFICATIONS: Qualified Preparer of Storm Water Pollution Prevention Plan (QPSWP3)
Qualified Compliance Inspector of Storm Water (QCIS)
OSHA 30-Hour Certified (OSHA30)
OSHA Excavation Safety Training for Competent Person (CPT)
OSHA Confined Space in Construction (CSE-C)

WORK HISTORY: Spiess Construction Co., Inc 2016 to Present
Tetra Tech Inc. - Intern 2014
Western Solutions Inc.- Intern 2011 to 2012

WORK EXPERIENCE SUMMARY:

- Preparation of project estimates and schedules for various project bids and constructed projects across the state of Texas and surrounding states
- Review proposals, specification and drawings; performed material takeoffs to better estimate project costs and material usage
- Managed material inventory and cost throughout project duration including preparation of purchase orders and approval of invoices
- Negotiation of RFPs and Change Orders with project owner
- Prepare financials for monthly payments
- Developed As-built drawings on monthly basis
- Administered safety programs to adhere to company standards
- Employee designated competent person for evaluating safety conditions

PROJECT EXPERIENCE:

- 21413 – 9/30/2016 – San Antonio Water Systems – SAWS Olmos Basin Central Watershed Sewer Relief (C-3) Project Line C – Rehab of existing 48" sanitary sewer line approximately 2,619 LF. Rehab of two existing siphon structure & installation of 18" air bypass pipe. Rehab of 7 existing manholes. Approximately 2,804 LF of 54" FRPM sanitary sewer pipe; two junction structures – \$4,077,760.00
- 21737 – 5/25/2018 – El Paso Water Utilities Public Service Board – Franklin Conduit Structural Rehabilitation – Rehabilitation of the existing reinforced concrete pipe conduit's structure using form-in-place galvanized-steel tunnel liner plates with high strength grout, the stabilization of soil under a segment with differential settlement using high-pressure grout, and the installation of internal joint seals in one segment of the conduit, without excavation or tunneling in any portion of the conduit. – \$1,716,863.00
- 21545 – 7/20/2018 – San Antonio Water Systems – Cibolo Creek Sewer Shed Flow Diversion Project – Installation of 2 sewer lift stations, including site work, wet wells, pumps, piping, valves. Installed 4,400 LF 12" force main, 10,300 LF of 16" force main, 9,600 LF of gravity sewer ranging from 8" to 18" – \$7,377,245.00
- 21719 – 7/25/2018 – El Paso Water Utilities Public Service Board – Edgemere 16" & 36" Water Transmission Mains and 24" Sanitary Sewer Main Extension, Phase IV – Water line Installation of 4,290 LF of 16" C900 Polyvinyl Chloride Pipe, 4,220 LF of 36" Pipe, 295 linear feet of 8-Inch C900 Polyvinyl Chloride Pipe, Butterfly Valves, Gate Valves, 6-Inch & 4" Combination Air Release Valves and

Manholes, Blow-Off Valves and Manholes. Sewer Line work consisted of installation of approximately 3,860 LF of 24" Sewer Pipe, 165 LF of 18-Inch SDR35 Polyvinyl Chloride Pipe, 150 LF of 12" SDR35 Polyvinyl Chloride Pipe, 150 LF of 8-Inch SDR35 Polyvinyl Chloride Pipe, Type A and B Manholes, Fittings, and all necessary appurtenances. – \$2,364,826.00

- 21723 – 8/10/2018 – El Paso Water Utilities Public Service Board – North 2 to Franklin East 1A, 1B 36/24 Inch Waterline - Phase 1 Bid No. 19-17 – Installed approximately 4,795 LF of 36" diameter potable water transmission main, 774 LF of 12" C900 PVC water distribution water main, including isolation valves, air/ vacuum valves and blow-off valves and fittings. The project includes 345 LF of 54" FRP casing crossing EPNG easement and 405 LF of 54" steel casing crossing TXDOT ROW by jack/ bore/ tunnel method of installation. – \$2,741,682.00
- 21631 – 11/30/18 – W-6: Western Watershed Sewer Relief Line (Middle Segment P-3 and P-4) – Construction of approximately 8,846 linear feet of 90-inch diameter sewer via open cut, 393 linear feet of 72-inch sanitary sewer siphon across creek, 393 linear feet of 36-inch air bypass, 2 new siphon structures, and the abandonment of approximately 8,580 linear feet of 54-inch sanitary sewer. – \$15,270,880.00
- 21815 – (2018-2020) El Paso Water Utilities Public Service Board - Haskell R. Street WWTP Headworks Effluent Piping Improvements EPW Bid No. 47-18 Bypass pumping of 20+ MGD of raw wastewater from the headworks facility to primary clarifiers. Rehabilitation of the headworks wet-well and metering station, removal & replacement of 8 submersible pumps, replacement of discharge piping, pump guides and cables, structural repairs and coating to the wet-well and metering station. Installation of 1,195 +/- LF of 66" & 60" WSP, Cast in place concrete diversion structure and junction box, slide gate installation, site grading, HMAC & header curb. \$5,624,233.14
- 21927 – (2019-2021) El Paso Water Utilities Public Service Board - Wastewater Diversion from Haskell WWTP to Fred Hervey EPW Bid No. 46-19 Bypass pumping of 4,000 + GPM of wastewater at Blue Ridge LS, Installation of New Wet Well to include Electrical, Controls & SCADA and rehab of existing wet well, removal & replacement of 2 submersible pumps, pump guides and cables, coating wet-well, Installation of 7,000 +/- LF of 12" FM", HMAC, header curb, fencing & gates, precast splitter box, valve vault & header modifications at Sunrise LS. \$4,522,421.67
- 22020 – (2020-2021) City of Presidio, Texas – Water System Improvements Project – 20,000 LF of 12" & 8" waterline, booster pump station and elevated storage tank. \$ 3,939,372.00
- 22031 – (2021-2022) New Braunfels Utilities – Castell Ave 24-Inch Water Line West – 5,350 linear feet (LF) of 24-inch ductile iron pipe water transmission main, approximately 1,550 LF of 12-inch sanitary sewer main, approximately 750 LF of 8-inch sanitary sewer main, rehabilitation of approximately 200 LF of 6-inch and 10-inch sanitary sewer main, approximately 1,200 LF of 42-inch steel cased bores install in hard rock at depths reaching 56 vertical feet (VF) in depth, approximately 100 LF of 24-inch steel cased bores in hard rock, 2 – 40' diameter round liner plate shafts at 48 VF and 27 VF depths in hard rock, 2 – 20' diameter round liner plate shafts at 56 VF and 42 VF depths in hard rock. \$8,312,71.00
- 22125 – (2021-2022) – El Paso Water Utilities Public Service Board – Rehabilitation of Redd Road Reservoir No. 33-21 – Removal of the entire reservoir roof, entire roof support system, all columns and the entire floor area, as well as the existing gravel bedding. Reinstallation of new roof, access hatches, vent, all roof support, all columns, new tank floor area over new sand bedding within the existing ring beam area, a new cathodic protection system with rectifier has been installed to protect the floor. – \$3,644,697.00

WORK HISTORY: Spiess Construction Co., Inc 2015 to Present

WORK EXPERIENCE SUMMARY: Ronnie Quintana began his career in pipeline construction with Ry-Com Construction (Thorton, CO) in 1980. After 22 years with Ry-Com, Ronnie took his talents to S.J.L Construction of Arizona where he had a 2 year tenure managing large diameter pipeline projects. After working with S.J.L Construction of Arizona, Ronnie spent time with Achen Gardner Construction, Don Kelly Construction, and Red Cliff, Inc. as a Superintendent. Ronnie's experience and capable crew members make him an excellent addition to the team here at Spiess Construction Co., Inc.

PROJECT EXPERIENCE:

- 21503 – (2015) City of Amarillo, TX – Bid No. 4830 Georgia Street Interceptor – Installation of a 42" gravity sewer and the installation of a gravity flow sanitary sewer. Scope of this project also included decommissioning an existing lift station. – \$4,939,393.00
- 21423 – (2014-2015) City of Del Rio, TX – Sanitary Sewer Collection Rehabilitation Project Phases A, B, C & D – Construction of sanitary sewer system & replacing sewer infrastructure as follows: approx 30,500 LF of 6" to 15" sewer main replacements. All piping, manholes, service connections, cutting & patching of streets & other appurtenant work – \$4,330,460.00
- 21531 – (2015) McKinney Partners 306, LP – SH 5 Off-Site 36" Water Main – Furnish, labor and equipment to install 302 LF of 54" liner plate by bore & jack method. Furnish labor and equipment to excavate and shore 3 tunnel jacking/ receiving pits. – \$262,590.00
- 21604 – (2016) San Antonio Water Systems – Emergency 42 Inch Sanitary Sewer Replacement Project 200 Block of Castillo Ave. – Remove and replace existing deteriorated 42" sanitary sewer with new 42" FRP. Work included by-pass pumping operations, street paving removal and restoration. Method: Open Cut – \$1,048,953.52
- 21626 – (2016) City of San Antonio – Removal and Replacement of 80 LF 72" 16ga CMP – Repair/replacement of 80' of 72" corrugated metal pipe (16 gauge). Removal and disposal of approx. 1,500 SF (asphalt), 200 lf (curb), 100 lf (chain link fence). – \$162,000.00
- 21413 – (2014-2016) San Antonio Water Systems – SAWS Olmos Basin Central Watershed Sewer Relief (C-3) Project Line C – Rehab of existing 48" sanitary sewer line approximately 2,619 LF. Rehab of two existing siphon structure & installation of 18" air bypass pipe. Rehab of 7 existing manholes. Approximately 2,804 LF of 54" FRPM sanitary sewer pipe; two junction structures – \$4,077,760.00
- 21545 – (2015-2018) San Antonio Water Systems – Cibolo Creek Sewer Shed Flow Diversion Project – Installation of 2 sewer lift stations, including site work, wet wells, pumps, piping, valves. Installed 4,400 LF 12" force main, 10,300 LF of 16" force main, 9,600 LF of gravity sewer ranging from 8" to 18" – \$7,377,245.00
- 21719 – (2017-2018) El Paso Water Utilities Public Service Board – Edgemere 16" & 36" Water Transmission Mains and 24" Sanitary Sewer Main Extension, Phase IV – Water line Installation of 4,290 LF of 16" C900 Polyvinyl Chloride Pipe, 4,220 LF of 36" Pipe, 295 linear feet of 8-Inch C900 Polyvinyl Chloride Pipe, Butterfly Valves, Gate Valves, 6-Inch & 4" Combination Air Release Valves and Manholes, Blow-Off Valves and Manholes. Sewer Line work consisted of installation of approximately 3,860 LF of 24" Sewer Pipe, 165 LF of 18-Inch SDR35 Polyvinyl Chloride Pipe, 150 LF of 12" SDR35 Polyvinyl Chloride Pipe, 150 LF of 8-Inch SDR35 Polyvinyl Chloride Pipe, Type A and B Manholes, Fittings, and all necessary appurtenances. – \$2,364,826.00
- 21723 – (2017-2018) El Paso Water Utilities Public Service Board – North 2 to Franklin East 1A, 1B 36/24 Inch Waterline - Phase 1 Bid No. 19-17 – Installed approximately 4,795 LF of 36" diameter potable water transmission main, 774 LF of 12" C900 PVC water distribution water main, including isolation valves, air/ vacuum valves and blow-off valves and fittings. The project includes 345 LF of 54" FRP casing crossing EPNG easement and 405 LF of 54" steel casing crossing TXDOT ROW by jack/ bore/ tunnel method of installation. – \$2,741,682.00
- 21631 – (2016-2018) W-6: Western Watershed Sewer Relief Line (Middle Segment P-3 and P-4) Construction of approximately 8,846 linear feet of 90-inch diameter sewer via open cut, 393 linear feet of 72-inch sanitary sewer siphon across creek, 393 linear feet of 36-inch air bypass, 2 new siphon structures, and the abandonment of approximately 8,580 linear feet of 54-inch sanitary sewer. – \$15,270,880.00

- 21714 – (2017-2019) Hillside Terrace Estates 30" Sewer Replacement Contract 2 – Construction of 8,200 LF of 30" diameter HOBAS FRP Trunk Sewer via open cut; depths ranging from 12' to 42'. The realignment included removing, salvaging, replacing existing manholes, new manholes, lateral connections and abandonment of existing VCP sewer. Bypass pumping, pavement replacement and surface restoration where required at service locations. – \$7,939,392.00
- 21826 – (2018-2020) El Paso Water Utilities-Public Service Board – Yandell/Wyoming Water Transmission Line – The project consists of the replacement of approximately 1,024 linear feet of 24-inch PVC C-900, 1,725 linear feet of 20-inch PVC C-900, 364 linear feet of 16-inch PVC C-900, 715 linear feet of 8-inch PVC C-900, and 205 linear feet of 6-inch PVC C-900 water mains, and 90 linear feet of 12-inch PVC SDR 35 sewer line and 290 linear feet of 8-inch PVC SDR 35 sewer line within the City of El Paso. Butterfly valves and gate valves, combination air release/vacuum valves, blow-off valves, fire hydrant, sewer manholes, trench safety system, 23 -3/4" water service reconnections and all miscellaneous piping, fittings, tie-in and cut & cap activities, and appurtenances and asphalt paving removal and replacement necessary for the proper installation of this project. – \$1,845,612.00
- 21916 – (2019-2020) El Paso Water Utilities - Public Services Board – Grouse Street Force Main rehabilitation - Phase VI – Installation of approximately 15,268 linear feet of 30- inch sanitary sewer force main pipe (including the removal and disposal of the existing force main pipe), 610 linear feet of 48" steel casing by boring or jacking, 30-inch gate valves, trench safety system, and all miscellaneous piping, fittings, pipe tie-in activities, and appurtenances and other site work. – \$3,820,837.00
- 22020 – (2020-02021) – City of Presidio – Water System Improvements Project in Presidio Texas 20,000 LF of 12" & 8" waterline, booster pump station and elevated storage tank. – \$3,939,372.00
- 22125 – (2021-2022) – El Paso Water Utilities Public Service Board – Rehabilitation of Redd Road Reservoir No. 33-21 – Removal of the entire reservoir roof, entire roof support system, all columns and the entire floor area, as well as the existing gravel bedding. Reinstallation of new roof, access hatches, vent, all roof support, all columns, new tank floor area over new sand bedding within the existing ring beam area, a new cathodic protection system with rectifier has been installed to protect the floor. – \$3,644,697.00
- 22203 – (2022- 2023) – City of Bandera, TX – Construction of a new 100,000 Gallon elevated storage tank and replacement of existing high service pump station, associated piping, appurtenances, site work and grading for the new tank, demolition of two (2) existing ground storage tanks and other water system SCADA improvements at various locations. – \$2,270,300.00

PROJECT: 36-Inch Water Transmission Main from Jefferson Water Treatment Plant to East of Zacate Creek

Proposed Progress Schedules:

(SEE ATTACHED SCHEDULE)

Data on Equipment to be used on the Work: (Include the number of machines, the type, capacity, age and conditions and location)

SPIESS CONSTRUCTION CO., INC. HAS ALL THE EQUIPMENT NECESSARY TO COMPLETE THIS PROJECT.

Subcontractors: (Submit a list of proposed Subcontractors. List sources, types and manufacturers of proposed materials)

BID BOND

PROJECT: 36-Inch Water Transmission Main from Jefferson Water Treatment Plant to East of Zacate Creek

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned

Spiess Construction Co., Inc.

as Principal, and Travelers Casualty and Surety Company of America as

Surety, are hereby held and firmly bound unto

City of Laredo, Texas

as Owner in the penal sum of Five Percent (5%) of the Total Amount Bid---
for payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

Signed, this 13th day of December, 2023.

The condition of the above obligation is such that whereas the Principal has submitted to

City of Laredo, TX a certain Bid,
attached hereto and hereby made a part hereof to enter into a Contract in writing for the

36-Inch Water Transmission Main from Jefferson Water Treatment Plant to East of Zacate Creek

NOW, THEREFORE,

- (a) If said Bid shall be rejected, or in the alternate,
- (b) If said Bid shall be accepted and the Principal shall execute and deliver a Contract in the Form of Contract attached hereto (properly completed in accordance with said Bid) and shall furnish a bond for his faithful performance of said Contract, and for the payment of all persons performing labor or furnishing materials in connection therewith, and shall in all other respects perform the Agreement created by the acceptance of said Bid,

then this obligation shall be void, otherwise the same shall remain in force and effect; it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event, exceed the penal amount of this obligation as herein stated.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety, and its bonds shall be in no way impaired or affected by any extension of the time within which the Owner may accept such Bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set fourth herein.

Spiess Construction Co., Inc.

By: 
Robert L. Raney, Senior Vice President

On this the **21st** day of **April**, 2021, before me personally appeared **Robert L. Raney**, who acknowledged himself to be the Senior Vice President of each of the Companies, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of said Companies by himself as a duly authorized officer.

IN WITNESS WHEREOF, I hereunto set my hand and official seal.

My Commission expires the **30th** day of **June**, 2026

Anna P. Nowik, Notary Public

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of each of the Companies, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of each of the Companies, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this **13th** day of **December**, 2023

Kevin E. Hughes, Assistant Secretary

To verify the authenticity of this Power of Attorney, please call us at 1-800-421-3880.

Please refer to the above-named Attorney(s)-in-Fact and the details of the bond to which this Power of Attorney is attached.

SECTION A-6
CHECKLIST FOR BIDDERS

All information required by the terms of the Bid Documents must be furnished. **MISTAKES OR OMISSIONS CAN BE COSTLY AND CAN RESULT IN THE REJECTION OF YOUR BID.** Important items for you to check are included in but not limited to, those listed below. This checklist is furnished only to assist you in submitting a proper bid. Check as you read. **DO NOT INCLUDE THIS CHECKLIST WITH YOUR BID.**

- [✓] Have you acknowledged receipt of all addenda to the plans and specifications?
- [✓] Is your bid properly signed? (Refer to Bid Documents)
- [✓] If a bid guarantee is required, is it included in your bid? (A late bid guarantee is treated the same as a late bid)
- [✓] Is your bid guarantee in the proper amount? (5% of total bid price)
- [✓] Your bid guarantee must be in the form of a Bidder's Bond, a Certified Check or Cashier's Check.
- [✓] If your bid guarantee is in the form of a Bidder's Bond, is the bond properly signed by both the bidder and surety and are all required seals affixed?
- [✓] Is the surety company qualified and licensed by the State of Texas as required by the provisions of the bid documents?
- [✓] Is the name in which you submitted the bid the same on your bid proposal as on the Bidder's Bond?
- [✓] If required have you entered a unit price for each bid item?
- [✓] If required have you entered the unit price or lump sum price in both words and figures? (Unit Price or Lump Sum price in words govern)
- [✓] Are decimals in unit prices in the proper places? Are your figures legible?
- [✓] Are the extensions of your unit prices, and your total bid price correct?
- [✓] Proposals are required to be submitted in duplicate. Are they identical? The duplicate proposal may be a reproduced copy.
- [✓] Are all erasures or corrections initialized by the person signing the bid or by an authorized representative of the person signing the bid.

- [✓] Do not restrict your bid by altering any provisions of the Bid Document or by attaching any documents to the Proposal that takes exception to the Bid Documents.
- [✓] Have you included all pages of the Proposal with your bid? Are all blanks in the Proposal properly completed (equipment brands, alternate materials, etc.)?
- [✓] Is the envelope containing your bid properly identified that it is a sealed bid and does it contain the correct project name and bid opening date?
- [✓] Will your bid arrive on time? Late bids will not be considered. Bids must be received by the City Secretary, City Hall before the specified bid time on the date specified in the Notice to Bidders, or as modified by addenda issued by the City (Other times or dates will be clearly specified in the Notice).

BID PROPOSAL

To: The City of Laredo, Texas

Honorable Dr. Victor D. Treviño, Mayor

From: SPIESS CONSTRUCTION CO., INC.
Contractor

Address: P.O. BOX 2849, SANTA MARIA, CA 93455
Phone: 805-937-5859
Fax: 805-934-4432

PROJECT: "36-Inch Water Transmission Main from Jefferson Water Treatment Plant to East of Zacate Creek"

Pursuant to Notice to Bidders, the undersigned bidder hereby proposes to furnish the labor, materials, and equipment in accordance with the plans and specifications, general conditions of the agreement, special provisions of the Agreement, and Addenda, if any. The bidder binds himself upon acceptance of his proposal to execute a contract and bonds accompanying form of performing and completing the said work within the time stated as required by the detailed specifications at the following unit prices. The quantities shown below are based on the Engineer's estimate of quantities and it is agreed that the quantities may be increased or diminished, and may be considered necessary in the opinion of the City of Laredo, Texas to complete the work fully as planned and contemplated, and that all quantities of work, either increased or decreased, are to be performed at the unit prices set forth below (except as provided in the General Conditions of the Agreement or the specifications, the contract documents).

Acknowledgment of Addenda: (Please initial and date):
