<p>Order Type: NEW</p> <ul style="list-style-type: none"> - Quantity: 1 - Applied Service: ADI - Customer Service Location Info <ul style="list-style-type: none"> - City of Laredo 911 - 100 East 6th St - Rio Grande City, TX 78582 - Floor: 1st - PA-NXX: 956487 - Access Provider: AT&T of Texas - Access Type: Switched - Capacity: 1G - Customer Interface: 1000 Base LX <p>*Please confirm interface as this will result in provisioning delays and the need for resubmission of a new request.</p>								
<ul style="list-style-type: none"> • Special construction involved which amounts to \$236,518.80. <ul style="list-style-type: none"> - There is 45,000 feet of buried fiber involved in this project • The estimated installation interval for this service is 57 days • If IOC backhaul is required, the estimated interval extends to 120-180 business days (won't know until project is underway and closer to installation) • The actual installation interval will be negotiated on a case-by-case basis at the time of sale. 								
Important Quote/Service Information:								
1. Pricing includes DIR's CRF (Cost Recovery Fee).								
2. TEX-AN 2021 Contract rates will prevail over quotes provided by AT&T.								
3. Pricing does not include any Municipal/Regulatory charges and valid for 90 days.								
4. Services assume AT&T Texas facilities exist and no special construction will be required. If special construction is required and it results in a higher rate for the specific service, then DIR and /or the Customer, as appropriate, will have the option to accept the new rate or withdraw the request for that specific service.								
<p>**AT&T Virtual Private Network and its associated components term is equivalent 24 month minimum term period per line without exception. Termination Liability will apply if the service is disconnected prior to the end of the 24 month term. Termination Liability will be determined based on the number of months remaining in the term times 50% of the applicable monthly rates.</p>
