## **COMMITTEE RECOMMENDATION**

The Planning and Zoning Commission in a 7 to 0 vote recommended approval of the special use permit.

## **STAFF RECOMMENDATION**

A Special Use Permit is used for those types of uses that warrant individual attention on a case by case basis and should not be categorized in a zoning district. A Special Use Permit is basically an overlay on top of the existing zoning designation and can be limited in many respects, such as time, fencing, setbacks, landscaping, etc. A Special Use Permit is required for those restaurants located in R-O, B-1, B-3 districts that wish to serve alcoholic beverages. The property is in a B-3 (Community Business District) zoning district.

Staff supports the proposed special use permit for the following reasons:

1. The proposed use meets the required parking requirement as per the Laredo Land Development Code Section 27.78.3.

- Total parking spaces required for the proposed restaurant serving alcohol = 70 parking spaces
- Actual amount identified on site plan = 70 parking spaces
- Therefore, the proposed site meets the required parking spaces.

2. There are similar uses within the vicinity of the proposed site.

3. The proposed use is 75% in compliance with the distance requirement. There will not be an outdoor patio. Therefore, it is anticipated there will not be a noise nuisance to the surrounding neighborhood or area.

### **General Comments:**

2. Any use allowed under the current zone or proposed special use permit is required to abide by all relevant municipal codes.
