## STAFF RECOMMENDATION

A Conditional Use Permit is intended to provide for those land uses where additional regulation is necessary to protect the property and surrounding area. It is primarily intended for property located in older sections of the city and is intended to promote development and/or redevelopment of such property, which is consistent with the land use patterns of surrounding property.

  - Approximately one block to the north from the proposed site is Garcia's Auto Repair.

If approved, Staff suggests the following conditions:

- ~~1. The Conditional Use Permit shall be issued to Elsa Gloria Cantu and is nontransferable.~~

Staff **supports** the application.

**Is this change contrary to the established land use pattern?**

No. There are more intense uses within the vicinity of the site.

**Would this change create an isolated zoning district unrelated to surrounding districts?**

No, the zone will not change.

**Will change adversely influence living conditions in the neighborhood?**

The proposed conditional use permit is not anticipated to negatively impact the surrounding neighborhood and area.

**Are there substantial reasons why the property cannot be used in accordance with existing zoning?**

Yes. The existing zone does not allow for a day care as intended by the applicant.
