Dear Ron,

I am writing regarding the purchase of 6 refuse trucks for the City of Laredo. There was some confusion here at McNeilus. We are not able to mount our Autoreach body on a Battle Motors chassis. At this time, we can only provide a ZR, zero radius body on a Battle Motors chassis.

You requested a McNeilus Autoreach body. We can and will work with Rush Peterbilt to provide you an Autoreach refuse body on a Peterbilt chassis. These would be the same as we have provided in years past.

If you have any questions, please feel free to contact me.

Thank you,

Mike Tutt
