I feel that creating a cleaner, more beautiful city for all is very important. I would like to contribute my skills and dedication as a board member to help improve the quality of life in our community. I enjoy taking walks along the creek and parks, and I have noticed how trash accumulates in some areas. I admire KLB's commitment to beautify the city and clean up areas. Taking pride in our city begins with caring for our shared spaces. I hope to contribute my time and ideas, and inspire others to participate.
