**Re:     Jefferson St. WTP Chlorine Feed Improvements:  
          Engineer's Letter of Recommendation for Project Approval and Acceptance**

Dear Mr. Garcia:

Ardurra is recommending that the Jefferson St. WTP Chlorine Feed Improvements Project be approved and accepted per City of Laredo contract requirements. On Wednesday, March 14, 2024, at 11:00 am a final walkthrough site inspection was conducted by representatives of Ardurra (Engineer), City of Laredo, and J.S. Haren (Contractor). All noted items from the final walkthrough were addressed. The City has also received the As-Built drawings for the project.

This letter will serve as certification that the Contractor is substantially complete with the work in accordance with the plans, specifications, contract documents, addenda, change orders and approved supplemental agreements thereto. The Contractor has submitted the following documents, including the As-Built drawings for the project, which the City has received.

- Application and Certificate for Payment No. 6
- Final Change Order
- Affidavit of Payment of Debts and Claims and Release of Liens
- City of Laredo Warranty Statement Form
- Final Walkthrough Punch List/ Inspection Report

If you have any questions or require additional information regarding this project, please feel free to contact me at (956) 462-5511 or via email [jhoelscher@ardurra.com](mailto:jhoelscher@ardurra.com).

Sincerely,

James Hoelscher, P.E.  
Project Engineer  
Ardurra Group, Inc.  
F-10053
