COMMITTEE RECOMMENDATION

The Planning & Zoning Commission in a 4 to 0 vote recommended **approval** of the zone change. However, one (1) Planning & Zoning Commissioner did abstain from the vote.

STAFF RECOMMENDATION

Staff **supports** the proposed zone change for the following reasons:

1. The proposed zone change is in conformance with the Comprehensive Plan's designation as Light Industrial (M-1, B-4, B-3), which includes M-1 zoning districts.
2. The combined proposed site meets the minimum lot width requirement of 65 feet for M-1 zone districts as per the Laredo Land Development Code, Section 24.77.1 Dimensional Standards. The property's lot is approximately 348 feet.
3. The proposed site meets the minimum lot area requirement of 9,000 square feet for M-1 zone districts as per the Laredo Land Development Code, Section 24.77.1. Dimensional Standards. The property lot area is approximately 3.39 acres (1 acre = 43, 560 feet).
4. The proposed use is compatible with the area since there are similar uses abutting to the east and south of the site.
5. There are M-1 zoning districts within the vicinity of the proposed site located to the west and across Minerales Annex Road.

Staff **supports** the application.

M-1. The purpose of the M-1 Light Manufacturing District is to encourage the development of manufacturing and wholesale business establishments which are clean, quiet, and free of hazardous or objectionable elements such as noise, odor, dust, smoke or glare. Research activities are encouraged. This district is further designed to act as a transitional use between heavy industrial uses and other less intense and residential uses. The purpose of the M-1 Light Manufacturing District is to encourage the development of manufacturing and wholesale business establishments which are clean, quiet, and free of hazardous or objectionable elements such as noise, odor, dust, smoke or glare. Research activities are encouraged. This district is further designed to act as a transitional use between heavy industrial uses and other less intense and residential uses.

Is this change contrary to the established land use pattern?

No. The property is surrounded by similar uses to the east and south of the site.

Would this change create an isolated zoning district unrelated to surrounding districts?

No. To the west (across from Minerales Annex Road) of the site is an area of M-1 zoning district.

Will change adversely influence living conditions in the neighborhood?

No. It is not anticipated to have a negative impact in the surrounding area or neighborhood.

Are there substantial reasons why the property cannot be used in accordance with existing zoning?

Yes. The existing AG does not allow for industrial type uses intended by the applicant. The applicant did not specify the type of industrial use.
