All of this information can be found on the State of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm> Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295): In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295. Filing Process: Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract. The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. Information regarding how to use the filing application will be available on this site starting on January 1, 2016. Additional Information: HB 1295 Certificate of Interested Parties (Form 1295) New Chapter 46, Ethics Commission Rules: 46.1. Application 46.3. Definitions 46.5. Disclosure of Interested Parties Form In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm>. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

**35.0 Certificate of Interested Parties (Form 1295)**

In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the State of Texas website, please use this link provided.

<https://www.ethics.state.tx.us/tcc/1295-Info.htm>.

**Implementation of House Bill 1295**

**35.1 Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

**35.2 Filing Process:**

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. Changes to Form 1295.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

# **RSH Wash Services – Recommended Fleet Cleaning Rotation Strategy**

## **Strategy Overview**

RSH Wash Services respectfully recommends a hybrid fleet-cleaning strategy that offers the City of Laredo the highest quality of cleaning where it matters most—during full-service, deep-cleaning cycles—while keeping long-term maintenance costs low. Under this recommendation, RSH performs the full Scope of Work (Items 19–22) on-site at one department per week, providing the City with interior detailing, dashboard sanitization, mats, windows, vacuuming, trash removal, full exterior washing, drying, and degreasing as needed. After each department receives its full-service deep cleaning, the City may choose to use lower-cost vendors for simple exterior maintenance washes, while retaining RSH for high-scope detailing or heavy-duty units.

## **Why This Strategy Benefits the City**

### **1. Restores the Entire Fleet to a Baseline Clean Condition**

Full-service deep cleaning returns all vehicles—light, medium, heavy, and equipment units—to a uniform standard.

### **2. Improves Long-Term Fleet Durability & Cleanliness**

Periodically restoring vehicles through deep cleaning reduces buildup and prevents deterioration.

### **3. Allows City to Use Cheaper Vendors for Simple Touch-Up Washes**

RSH handles deep cleaning; low-cost vendors maintain appearance.

### **4. Predictable Scheduling with Minimal Disruption**

On-site cleaning eliminates employee travel time or vehicle relocation.

### **5. Ensures Compliance With Items 19–22**

Many vendors offer pricing for light-duty washes only—RSH meets the full Scope of Work.

## **Example Weekly Rotation (Hypothetical Scenario)**

## **Cost Efficiency Recommendation**

After receiving deep cleaning from RSH, departments may utilize a lower-cost vendor for exterior-only touch-up washes. This ensures full compliance with the Scope of Work while maintaining long-term savings and operational efficiency.

## **Summary**

This recommended strategy gives the City of Laredo high-quality deep cleaning on a predictable rotation schedule while maintaining cost efficiency by allowing lower-cost vendors to handle simple touch-up exterior washes. RSH ensures full compliance, on-site convenience, and restored fleet cleanliness across all departments.

### **Note to Buyer – Scope of Work & Pricing Clarification**

RSH Wash Services respectfully submits the following clarification regarding our pricing for this solicitation:

Our proposed pricing reflects the **full scope of work outlined in Items 19.0 through 22.0**, including comprehensive interior and exterior cleaning, window and upholstery treatment, floor mat cleaning, dashboard detailing, documentation logs, and on-site service at City lots. This scope goes well beyond a basic exterior wash and light vacuuming.

Some vendors may submit lower unit prices; however, many of those prices typically represent **light-duty services only**—such as exterior washing and a simple vacuum—rather than the full cleaning and detailing requirements specified in this RFB.

RSH Wash Services provides the **complete deep-cleaning services** the City is requesting, performed on-site during regular business hours to reduce downtime and improve operational efficiency across departments.

#### **Recommendation:**

To maximize value, the City may consider awarding the Full Service / Deep Cleaning line items to a vendor capable of meeting the complete requirements of Items 19–22, and optionally awarding maintenance-only exterior wash services to a lower-cost provider if desired. This allows the City to ensure **initial deep cleaning quality**, while maintaining flexibility for routine maintenance washes at lower cost.

RSH Wash Services is fully prepared to support either strategy and deliver reliable, compliant, and high-quality service for the City of Laredo.

# Method of Approach

## On-Site Operational Model

RSH Wash Services performs all cleaning at City-assigned locations, including department lots, vehicle yards, and fleet parking areas. This eliminates the need for City personnel to transport vehicles off-site and allows for rapid servicing of multiple units in one visit.

### Key Advantages:

- Zero fleet movement required
- No operator downtime
- No fuel or mileage costs
- Faster turnaround times
- Minimal disruption to City operations
- Ability to handle large groups of vehicles
- Dedicated Account Manager

## Cost Savings & Value Proposition

Although RSH Wash Services operates at a higher per-unit service level, we provide significant cost savings to the City through our mobile, on-site operational model.

### City Cost Savings Realized:

- Eliminates staff travel time normally needed to drive vehicles to/from a car wash
- Avoids 90-120 minutes of lost City labor per unit
- No fuel consumption for vehicle transport
- Prevents downtime caused by vehicles waiting in wash lines
- Higher fleet readiness because vehicles remain on-site

When factoring in operational labor, fuel, and downtime, traditional off-site cleaning can cost the City more per unit despite lower wash prices. RSH's on-site workflow reduces the total cost per vehicle cleaned.

## Higher Capability Than Standard Car Wash Vendors

Unlike drive-through car washes or express wash companies, RSH can service:

- Garbage trucks
- Heavy-duty equipment
- Boom trucks & service trucks
- Mud-packed utility vehicles
- Sanitation units requiring hot water & degreasing

This eliminates the need for the City to split services across multiple vendors.

# Benefits of Service

## Reliable On-Site Service Across All Departments

Proven fast response to City requests, and uninterrupted operations

## Consistent, High-Quality Wash Results Every Time

Our proven standardized cleaning system ensures same quality results every time.

## Specialized Heavy-Equipment Washing Expertise

Dedicated hot-water machines, degreasers, and trained technicians

## Strong Compliance, Insurance, and Safety Protocols

As the current vendor, RSH meets all insurance requirements, safety, and operational protocols.

All of this information can be found on the State of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tcc/1295-Info.htm>. Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295). In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295. Filing Process: Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract. The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. Information regarding how to use the filing application will be available on this site starting on January 1, 2016. Additional Information: HB 1295 Certificate of Interested Parties (Form 1295) New Chapter 46, Ethics Commission Rules: 46.1. Application 46.3. Definitions 46.5. Disclosure of Interested Parties Form In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

All of this information can be found on the State of Texas website, please use this link provided: <https://www.ethics.state.tx.us/tec/1295-Info.htm>. Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295). In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295. Filing Process: Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract. The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. Information regarding how to use the filing application will be available on this site starting on January 1, 2016. Additional Information: HB 1295 Certificate of Interested Parties (Form 1295) New Chapter 46. Ethics Commission Rules: 46.1 Application 46.3. Definitions 46.5. Disclosure of Interested Parties Form In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.
