

Advanced Pipeline Assessment

January 9, 2025

RE: RedZone Robotics Solo Sole Source Letter

To Whom It May Concern:

This letter is to provide notification that RedZone Robotics is the sole source provider for the Solo®, autonomous inspection unit. RedZone Robotics is the manufacturer and only provider for the equipment specifically under the below US Patents.

US Patent No:	8,024,066
US Patent No:	8,525,124
US Patent No:	9,739,792
US Patent No:	9,927,354
US Patent No:	9,784,599

Solo® provides advance pipeline assessment capabilities which enables the user to rapidly collect data typically four time faster than conventional equipment. Solo® also provides portability as it can be carried by hand and is widely used in difficult right of way situation and reduce traffic control due to the inspections being completed autonomously. Solo® delivers the video display in a digital CCTV 360° Pan, Tilt, Zoom capability. The viewer at any time can adjust to their own personal view.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dave Petrosky", is written over a light blue circular stamp.

Dave Petrosky
