(6.) Effect of Other Violations (Habitual Offenses):

(a.) Twelve violations of City Ordinances which result in an adjudication of guilt (by trial to the court, by jury or by entering a plea of guilt) during any twelve month period shall result in the revocation of the Special Use Permit. The holder of said SUP may avail himself/herself of the remedy set forth in Section 24.93.12(b)(3)(b).

(b.) Should the twelve citations, issued during any twelve month period result in a court having jurisdiction or a jury find the holder of the Special Use Permit guilty of each violation or if a holder of an SUP pleads guilty to violation/s, the City of Laredo shall consider the Special Use Permit revoked and proceed with its removal from the City of Laredo Zoning Map.

(c.) The Planning Director shall then issue the permit holder written notification of the Special Use Permit's official revocation and removal from the City of Laredo Zoning Map and the Special Use Permit Holder shall suspend all business operations which are inconsistent with and in violation of the zoning district in which the business is located.

(d.) Once the holder of the Special Use Permit has been notified of the revocation, the permit holder may petition the City Council for reinstatement of the permit. STAFF COMMENTS:

A Special Use Permit is used for those types of uses that warrant individual attention on a case by case basis and should not be categorized in a zoning district. A Special Use Permit is basically an overlay on top of the existing zoning designation and can be limited in many respects such as time, fencing, setbacks, landscaping, etc. This property is currently zoned B-1 (Limited Business District).

Staff supports the issuance of the proposed Special Use Permit at this location.

4. The Special Use Permit is limited to Lots 10, 11, and 12, Block 891, Eastern Division only. The Special Use Permit does not extend to Lot 12 and the West 1/2 of Lot 11, Block 925 Eastern Division, located at 1702 Chihuahua St., which is only to be used for parking for this establishment.

Will change adversely influence living conditions in the neighborhood?

All three guys are competitive," Middleton said. "They all want to win."

The three-game series should provide good insight on whether TAMIU has what it takes to contend for the Lone Star Conference tournament this season. In the preseason poll, the Falcons were selected to finish 10th in the league while the Dustdevils were picked 12th.

"(UTPB) IS always going to be tough, especially at home," Middleton said. "I know they have a couple returning hitters from last year that performed well for them. UTPB is going to be tough. They are always going to be a challenge."

UTPB returns players such as Garret Thornton, Jonathan Bermudez and Nick Hernandez, all who batted .297 or higher in 2020. The Falcons also return pitchers Trever Berg and Tyler Stone, both who have worked hard to get to this point and didn't cut corners," Middleton said.

Friday marks the first time in almost a year in which the Dustdevils will have taken the diamond. However, it also stamps the start of their journey of hopefully making the conference tournament this year, which is their main objective this season. Because come league tournament time, anything can happen. And TAMIU wants to be a part of that.

"We want to be in the conference tournament," Middleton said. "So, to do that, we need to start off on the right foot. That's the goal. We want to be in the top eight so we can make the conference tournament, where anything can happen."

And a series win over UTPB will be a solid first step in potentially achieving its goal.

the region.

The Dustdevils received 124 points in their third-place selection as they prepare to top what was a historic 2019 season.

In 2019, the Dustdevils not only made it to the LSC Tournament semifinal but also clinched the first NCAA Division II Tournament berth in program history.

Defending LSC Tournament Champion Midwestern State (171 points, 13 of 20 first-place votes), took the nod as preseason favorite while defending LSC regular-season champion St. Mary's (157 points and the remaining seven first-place votes) was selected to second.

Behind TAMIU rounding out the top five are West Texas A&M (122 points) and Lubbock Christian (113 points).

Closing out the poll in spots six through nine are UT Tyler (71 points), UT Permian Basin (56 points), Oklahoma Christian (45 points) and DBU (41 points).

The spring 2021 conference season begins Feb. 16 with nine teams competing in an eight-game single-round robin schedule.

The single-elimination LSC Championship will feature the top four teams based on conference points. The tournament begins with the semifinals on April 10 and the championship on April 12.
