Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

4 Terms and Conditions Request for Proposals

- 1 TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS** These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.
- A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until

they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx> If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract

with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Enrique Aldape III 5512 Thomas Avenue, Laredo, Texas 78041 ealdape@ci.laredo.tx.us . Any vendor submitting questions shall make reference to a specific RFP number, section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. Proposal FY24-061 Automotive Fuel-Fleet Department

COMPANY OVERVIEW

Arguindegui Oil Company has a rich 82-year history and a bright future as South Texas' premier distributor of Fuels, Lubricants, and Chemicals.

Arguindegui Oil Company, founded in August 1942 by Peter Arguindegui Sr., began as a Commission Agent for Continental Oil Co. serving customers in the South Texas area. He grew the business successfully and was joined by his sons Peter Jr. and Charlie, during the mid-fifties. In April 1970 the business began operating as an independent jobber and as a closely held Texas corporation. Arguindegui Oil fast became a top tier supplier to the construction, and the oil and gas companies of South Texas. By the mid-seventies, the company was a recognized distributor of quality lubricants and fuels.

Arguindegui began operating service stations in surrounding communities as well as in Laredo, Texas. By the early 1980's, the company expanded into convenience store marketing by building new stores and converting existing service stations into convenience stores. The nineties brought an era of growth and stability for the company as it began its transition to the third generation of Arguindegui leadership.

Today, the Company has evolved into a premier fuels, lubricant, and chemical distributorship headed by the third generation of Arguindegui's, Alfonso and Charlie Jr. The company operations include an unattended fueling site, seven bulk warehouse operations located at Laredo, Edinburg, Corpus Christi, Port Isabel, San Antonio, Waxahachie, and Odessa Texas.

The company's mission is continued growth/expansion as it continues to be the leading regional distributorship in retail and wholesale fuels, lubricants, and chemicals. Management and staff are committed to serve our retail/wholesale customers throughout our area of operations.

Terms and Conditions Request for Proposals

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered a standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail. A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract unless requested by the City. For that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

- (a) Vendors shall thoroughly examine the specifications, schedule instructions, and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.
- (b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.
- (c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS. Proposals will be prepared in accordance with the following:

- (a) All information required by the proposal form shall be furnished. For hand-delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on the Cit-E-Bid system.
- (b) Unit prices shall be shown and where there is an error in the extension of price, the unit price shall govern.
- (c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.
- (d) Proposed delivery time must be shown and shall include business days.
- (e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by the City of Laredo no less than seventy-two hours before the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF HAND-DELIVERED PROPOSALS

- (a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed, and include the date and hour of the Proposal opening and the material or services. The proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand-delivered Proposals must be submitted to:
City of Laredo, City Secretary's Office,
City Hall Third Floor, 1110 Houston Street.
- (b) Proposals forms can be downloaded and printed through Cit-E-Bid. Mailed Proposals (i.e. USPS, FedEx, UPS), telegraphic, or facsimile proposals will not be considered.

**CITY OF LAREDO
PURCHASING DIVISION**

- (c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.
- (d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity proposals may be requested by the City.
- (e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP or as a result of the issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

- (a) Vendor misstates or conceals any material fact in the proposal.
- (b) Proposal does not strictly conform to the law or the requirements of the proposal.
- (c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.
- (d) If proposals are conditional. The vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.
- (e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.
- (f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, the vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. The vendor will submit such reports as the City may therefore require assuring compliance with said practices.
- (g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.
- (h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

- (a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or the Questions & Responses section on the Cit-E-Bid system no later than seven (7) days before the scheduled date for opening to: CITY OF LAREDO INTERIM PURCHASING AGENT

It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through the Cit-E-Bid system under the Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal. During the RFP process, the bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

- (b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days before the time that the City Council formally considers the contract to submit a written protest relating to advertising of proposal notices, deadlines, proposal acknowledgment, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or

Based on the Evaluation Committee or outside Consultant's review, it is expected that several firms may be short-listed for further consideration, and may be required to submit supplemental information.
