**Letters sent to surrounding property owners: 25   In Favor: 0   Opposed: 0**

**STAFF COMMENTS:**

A Special Use Permit is used for those types of uses that warrant individual attention on a case by case basis and should not be categorized in a zoning district. A Special Use Permit is basically an overlay on top of the existing zoning designation and can be limited in many respects such as time, fencing, setbacks, landscaping, etc. A Special Use Permit is required for those restaurants located in R-O, B-1, or B-3 districts that wish to serve alcoholic beverages. The property is in a B-3 (Community Business District) zoning district.

Staff **supports** the proposed SUP at this location for the following reasons:

1. While the proposed use is not in conformance with the Comprehensive Plan's Neighborhood Mixed Use designation, the proposed use is not anticipated to negatively effect the surrounding area.
2. The proposed use is compatible with the mixed uses already present in the area.
3. While the parking does not conform to the Land Development Code requirements, the proposed and existing use's hours of operation are such that peak parking levels are not expected to spill over to the surrounding area.
4. The proposed location meets the minimum distance requirement of 300 feet between the proposed use and the nearest residential district, use, park, school or church as per Land Development Code Section 24.93.7. There are 537 feet between the proposed use and the nearest residential zone/district or school.

Parking: The location has 252 existing spaces. The existing and proposed uses require a total of 280 spaces. 28 more parking spaces would be required to comply.

If approved, Staff suggests the following conditions:

1. The Special Use Permit is issued to Laredo Brewing Company LLC, Rodrigo Marroquin, owner and is non-transferable.
2. The Special Use Permit is restricted to 1, 750 S.F. of interior space, plus 600 S.F. of outdoor eating area on Building 200, Suite 201, as per the site plan, Exhibit "A", which is made part hereof for all purposes.
3. The Special Use Permit is restricted to a restaurant serving alcohol and hours of operation from Sunday through Wednesday from 10:00 a.m. through 10:00 p.m., and Thursday through Saturday, 10:00 a.m. to 12:00 (midnight).
4. The establishment must make provisions to keep litter to a minimum, and to keep it from blowing onto adjacent streets and properties.
5. Signage shall be consistent with the City's Sign Ordinance and TABC rules or regulations.
6. Off-street parking shall be provided in accordance with the City of Laredo Land Development Code.
7. Outdoor music and speakers are prohibited. There shall be no ground vibrations created or sustained on the site which are perceptible without instruments at any point on any property adjoining the subject property.
8. At all times the restaurant is open to the public for business; it shall continually maintain and serve food from its full service menu.
9. The restaurant shall not exceed the "Occupant Load" as set forth in the Certificate of Occupancy with Occupant Load issued to SUP business holder.
10. The restaurant shall, during all hours of operation, maintain, free from obstruction or impediment to full instant use in the case of fire or other emergency, all exit accesses, exits or exit discharges.
11. The restaurant shall undergo an annual Fire Inspection.
12. All permits, licenses, certifications and inspections required by the codes and ordinances of the City of Laredo shall be kept up to date and current including but not limited to Food Manager License (annual), Food Handler's Permit (annual), and Certificate of Occupancy with Occupant Load, Occupant Load being the approved capacity of a building or portion thereof.
13. Landscaping of property shall be provided in accordance with the City of Laredo Land Development Code.
14. Lighting of property shall be screened to avoid adverse impact on adjacent residential neighborhoods.
15. Owner shall provide a 7' high opaque fence along property lines which abut or adjoin any residential zones/uses.
16. Owner shall comply with, Building, Health, Safety, and all applicable codes and regulations as required.
17. The restaurant shall maintain and comply with the BLUE Gun Sign regulations as per TABC (not to exceed the required alcohol sales percentage).
18. The restaurant shall provide the City of Laredo, Planning Department with a copy of the current TABC

License to include but not limited to any renewals or amendments as they occur.

**P&Z RECOMMENDATION:**

The Planning and Zoning Commission is a \_6\_ to \_0\_ vote recommended approval of the Special Use Permit.

**STAFF RECOMMENDATION:**

Staff supports the application.

**IMPACT ANALYSIS**

**Is this change contrary to the established land use pattern? No.**

**Would this change create an isolated zoning district unrelated to surrounding districts? No.**

**Will change adversely influence living conditions in the neighborhood? No.**

**Are there substantial reasons why the property cannot be used in accordance with existing zoning? No.**

LBJ (1-11, 0-6) hosts Eagle Pass in a 7 p.m. contest Fri-

In 30-5A, Martin travels to Mission Veterans Memo-

Cigarroa has had a tough season as it sits at 0-10 over-
