STAFF COMMENTS

A Special Use Permit (SUP) is used for those types of uses that warrant individual attention on a case by case basis and should not be categorized in a zoning district. A Special Use Permit is basically an overlay on top of the existing zoning designation and can be limited in many respects such as time, fencing, setbacks, landscaping, etc.

Staff is not in support of the proposed SUP due to the limited parking available on the site for the two existing office uses and the proposed restaurant.

Should the Commission recommend approval of the proposed SUP, staff suggests the following conditions:

1. The Special Use Permit is issued to Donaciano Aldrete, III and Richard & Jaqueline Geissler, and is non-transferable.
2. The Special Use Permit is restricted to the site plan, Exhibit "A", which is made part hereof for all purposes.
3. The Special Use Permit is restricted to the activities described in the letter, Exhibit "B", which is made part hereof for all purposes.
4. The establishment must make provisions to keep litter to a minimum, and to keep it from blowing onto adjacent streets and properties.
5. Signage shall be consistent with the City's Sign Ordinance and TABC rule or regulation.
6. Off-street parking shall be provided in accordance with the City of Laredo Land Development Code.
7. There shall be no ground vibrations created or sustained on the site which are perceptible without instruments at any point on any property adjoining the subject property.
8. At all times the restaurant is open to the public for business, it shall continually maintain and serve food from its full service menu.
9. The restaurant shall not exceed the "Occupant Load" as set forth in the Certificate of Occupancy with Occupant Load.
10. The restaurant shall, during all hours of operation, maintain, free from obstruction or impediment to full instant use in the case of fire or other emergency, all exit accesses, exits or exit discharges.
11. The restaurant shall undergo an annual Fire Inspection.
12. All permits, licenses, certifications and inspections required by the codes and ordinances of the City of Laredo shall be kept up to date and current including but not limited to Food Manager License (annual), Food handler's Permit (annual), and Certificate of Occupancy with Occupant Load, Occupant Load being the approved capacity of a building or portion thereof.
13. Landscaping of property shall be provided in accordance with the City of Laredo Land Development Code.
14. Owner shall comply with Building, Health, Life and Safety, and all applicable codes and regulations as required.
