Re: FY23-044 Household Hazardous Waste/CESQG Collection – Environmental Services
Final Extension

Dear Mr. Kelby Neal,

Contract FY23-044 for providing Household Hazardous Pump Parts to the City of Laredo Solid Waste Services Department will expire on August 16, 2025. This contract is for a period of two (2) years and has the option to renew for one (1) additional two-year period, upon mutual agreement of both parties. This is the final extension period.

Price Adjustment

The City of Laredo will allow unit price adjustments upwardly or downwardly when correlated with an industry wide adjustment. Any request for reasonable price adjustments will be considered. Justification for the requested adjustment on original fixed pricing must have mutual consent from both parties and be supported by appropriate documentation. The city will not take action to intentionally delay legitimate manufacturer unit price increases. The City of Laredo reserves the right to cancel the contract if the price increase is deemed excessive; a new contract vendor will be selected on the basis of competitive bids. Documentation may be emailed to jezapata@ci.laredo.tx.us.

Please indicate your desire to request a contract extension. Should your company desire a contract extension, it is expressly understood by the parties that any such extension of this contract is entirely revocable at the City's discretion. If there are any questions regarding this renewal extension, please feel free to call me at (956) 794-1731.

Sincerely,

Jaime E. Zapata, MPA, CTCD, CTCM
