U.S. COMMUNITIES

U.S. Communities Government Purchasing Alliance (herein "U.S. Communities") assists Participating Public Agencies to reduce the cost of purchased goods through strategic sourcing that combines the volumes and the purchasing power of public agencies nationwide. This is accomplished through an award of competitively solicited contracts for high quality products and services by large and well recognized public agencies (herein "Lead Public Agencies"). The contracts provide for use by not only the respective Lead Public Agency, but also by other Participating Public Agencies.

National Sponsors

U.S. Communities is jointly sponsored by the National Association of Counties (NACo), the National League of Cities (NLC), the Association of School Business Officials International (ASBO), United States Conference of Mayors (USCM) and the National Governors Association (NGA) (herein "National Sponsors").

Advisory Board

The U.S. Communities Advisory Board is made up of key government purchasing officials from across the United States.

Each Advisory Board Member is expected to actively participate in product bids and selection, participate in policy direction, and share expertise and purchasing innovations.

Participating Public Agencies

Today more than 55,000 public agencies utilize U.S. Communities contracts and suppliers to procure over \$2 Billion Dollars in products and services annually. Each month more than 400 new public agencies register to participate. The continuing rapid growth of public agency participation is fueled by the program's proven track record of providing public agencies unparalleled value.

The Supplier(s) must communicate directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment.

Prince William County Schools is acting as "Contracting Agent" for the Participating Public Agencies and shall **not** be held liable for any costs, damages, expenses, fees, liabilities, etc. incurred by any other Participating Public Agency.

Each Participating Public Agency enters into a Master Intergovernmental Cooperative Purchasing Agreement (MICPA) outlining the terms and conditions that allow access to the Lead Public Agencies' Master Agreements. Under the terms of the MICPA, the procurement by the Participating Public Agency shall be construed to be in accordance with, and governed by, the laws of the state in which the Participating Public Agency resides. A copy of the MICPA is attached in Exhibit A.

Estimated Volume

The estimated dollar volume of Products and Services purchased under the proposed Master Agreement is \$500 Million Dollars annually. This estimate is based on the anticipated volume of the Lead Public Agency, the U.S. Communities Advisory Board members, and current sales within the U.S. Communities program. While there is no minimum quantity of products required to be purchased under the proposed Master Agreement, Prince William County Schools and the U.S. Communities Advisory Board Members are committed to utilizing the Master Agreement. The Advisory Board members shall determine if the Master Agreement is of value to their agency, and will promote the Master Agreement among other public agencies nationwide. The Advisory Board in 2015 purchased more than \$168 Million Dollars of products and services from existing U.S. Communities contracts.

Marketing Support

U. S. Communities provides marketing support for each Supplier's products through the following:

- National Sponsors as referenced above.
- Over 85 State Associations of Counties, Schools and Municipal Leagues.
- Sales and marketing personnel that directly promote the U.S. Communities Suppliers to Participating Public Agencies through public agency meetings, webinars, direct mail, email, online and print advertising, social media, articles, and exhibiting and presenting at national and local trade shows.
- U.S. Communities provides Suppliers government sales training, and a host of online marketing and sales management tools to effectively increase sales through U.S. Communities.

Marketplace

U.S. Communities has developed an online Marketplace, which gives Participating Public Agencies the ability to purchase from many U.S. Communities contracts directly from our website. The Marketplace makes it easier for Participating Public Agencies to access many contracts through a single login and place

orders using a procurement card, credit card or purchase order. Suppliers have the ability to add their products to the Marketplace at no cost.

Multiple Awards

Multiple awards may be issued as a result of the solicitation. Multiple Awards will ensure that any ensuing Master Agreements fulfill current and future requirements of the diverse and large number of Participating Public Agencies.

Evaluation of Proposals

Proposals will be evaluated by the Lead Public Agency in accordance with, and subject to, the relevant statutes, ordinances, rules and regulations that govern its procurement practices.

U.S. Communities Advisory Board members and other Participating Public Agencies will assist the Lead Public Agency in evaluating proposals. The Supplier(s) that response(s) affirmatively meets the requirements of this Request for Proposal and provides the best overall value will be eligible for a contract award. U.S. Communities reserves the right to make available or not make available Master Agreements awarded by a Lead Public Agency to Participating Public Agencies.

After negotiations have been conducted with each Offeror so selected, PWCS shall select the Offeror which, in its opinion, has made the best proposal, and shall award the contract to that Offeror or to multiple offerors should PWCS decide this to be in its best interest. If the Contractor is required to correct or replace, it shall be at no cost to PWCS and shall be subject to all provisions of this clause to the same extent as materials initially delivered. If the Contractor fails or refuses to replace or correct the deficiency, the office issuing the purchase order may have the materials corrected or replaced with similar items and charge the Contractor the cost occasioned thereby or obtains an equitable adjustment in the contract price.

In the discharge of these responsibilities, the Supervisor of Purchasing may be assisted by delegating to Buyers and other Purchasing Office staff. Unless specifically delegated by the Supervisor of Purchasing, no other PWCS officer or employee is authorized to enter into purchase negotiations, change orders, contracts, or in any way obligate PWCS for indebtedness. Any purchase order or contract made which is contrary to these provisions and authorities shall be of no effect and void, and PWCS shall not be bound thereby.

CONDITIONS OF OFFERING A PROPOSAL

2. **ANNOUNCEMENT OF AWARD:** Upon the award or the announcement of the decision to award a contract as a result of this solicitation, PWCS will publicly post such notice on the Purchasing Web site, <http://purchasing.departments.pwcs.edu/>.

6. **LATE PROPOSALS:** To be considered for selection, proposals must be received by the PWCS Purchasing Office by the designated date and hour. The official time used in the receipt of proposals is that time on the automatic time stamp machine in the Purchasing Office. Proposals received in the Purchasing Office after the date and hour designated are late, automatically disqualified and will not be considered. **PWCS is not responsible for delays in the delivery of mail by the U.S. Postal Service, private couriers, or the intra-school mail system or delivery by any other means. It is the sole responsibility of the Offeror to ensure that his/her proposal reaches the Purchasing Office by the designated date and hour.**

7. **MANDATORY USE OF PWCS FORM AND TERMS AND CONDITIONS:** Failure to submit a proposal in the format as required by the Request for Proposals may be cause for rejection of the proposal. Modification of or additions to the General and/or Special Terms and Conditions of this solicitation may be cause for rejection of the proposal; however, the Supervisor of Purchasing reserves the right to decide, on a case by case basis, in his/her sole discretion, whether to reject such a proposal as non-responsive. As a precondition to its acceptance, PWCS may, in its sole discretion, request that the Offeror withdraw or modify any additions or deletions to the proposal.

8. **OBLIGATIONS OF OFFEROR:** By submitting a proposal, the Offeror covenants and agrees that they are satisfied, from their own investigation of the conditions to be met, that they fully understand their obligation and that they will not make any claim for, or have right to cancellation or relief from the contract because of misunderstanding or lack of information.

Each Offeror certifies by signing a proposal that to the best of his/her knowledge no PWCS official or employee having official responsibility for the procurement transaction or member of his/her immediate family has received or will receive any financial benefit of more than nominal or minimal value relating to the award of this contract. If such a benefit has been received or will be received, this fact shall be disclosed with the proposal or as soon thereafter, as it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension or debarment, rescission of the contract, or recovery of the cost of the financial benefit from the contractor, recipient, or both.

- 9.2. Whenever there is reason to believe that benefit of the sort described in the paragraph above has been or will be received in

connection with the proposal or contract and that the Contractor has failed to disclose such benefit or has inadequately disclosed it, PWCS, as a prerequisite to payment pursuant to the Contractor, or at any time may require the contractor to furnish, under oath, answers to any interrogatories related to such possible benefit.

If the above does not apply at time of award of contract and becomes known after inception of a contract, the Offeror shall address the disclosure of such facts to: Supervisor of Purchasing, Prince William County Public Schools, P.O. Box 389, Manassas, VA 20109. The Request for Proposal number shall be referenced in the disclosure.

12. **VENDOR REGISTRATION:** All vendors desiring to provide goods and/or services to PWCS shall register on-line at <http://purchasing.departments.pwcs.edu/>. The Contractor further agrees to execute such documents as PWCS may request to affect such transfer or assignment.
 - 22.2. Further, the Contractor agrees that the rights granted to PWCS by this paragraph are irrevocable. Notwithstanding anything else in this Contract, the Contractor's remedy in the event of termination of or dispute over the terms of this Contract shall not include any right to rescind, terminate or otherwise revoke or invalidate in any way the rights conferred pursuant to the provisions of this paragraph. Similarly, no termination of this Contract shall have the effect of rescinding, terminating or otherwise invalidating the rights acquired pursuant to the provisions of this "Copyright" paragraph.
 - 22.3. The use of subcontractors or third parties in developing or creating input into any copyrightable materials produced as a part of this Agreement is prohibited unless the PWCS approves the use of such subcontractors or third parties in advance and such subcontractors or third parties agree to include the provisions of this paragraph as part of any contract they enter into with the Contractor for work related to work pursuant to this Contract.
23. **DRUG-FREE WORKPLACE:** During the performance of this contract, the Contractor agrees as follows:
 - 23.1. Provide a drug-free workplace for the Contractor's employees.
 - 23.2. Post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition.
 - 23.3. State in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace.
 - 23.4. Include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a Contractor in accordance with this section, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.
24. **EMPLOYEES NOT TO BENEFIT:** No employee of PWCS shall be admitted to any share or part of this contract or to any benefit that may arise therefrom which is not available to the general public.
25. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** In accordance with §2.2-4311.1 of the Code of Virginia, the Contractor acknowledges that it does not, and shall not, during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in The Federal Immigration Reform and Control Act of 1986.
26. **INDEMNIFICATION:** Contractor shall indemnify, keep and save harmless PWCS, its agents, officials, employees and volunteers against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses which may otherwise accrue against PWCS in consequence of the granting of a contract or which may otherwise result therefrom, if the act was caused through negligence, error, omission, or reckless or intentional misconduct (or, in the case of intellectual property rights, by any act done without proper permission) of the Contractor or his or her employees, or that of the subcontractor or his or her employees, if any; and the Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against PWCS in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend PWCS as herein provided.
27. **LIABILITY:** The Contractor will not be held responsible for failure to perform the duties and responsibilities imposed by the contract if such failure is due to strikes, fires, riots, rebellion and major forces beyond the control of the Contractor that make performance impossible or illegal, unless otherwise specified in the Contract.
28. **MODIFICATIONS TO THE CONTRACT:** PWCS may, upon mutual agreement with the Contractor, issue written modifications to the scope of services of this contract, and within the general scope thereof, except that no modifications can be made which will result in an increase of the original contract price by a cumulative amount of more than \$50,000 or 25%, whichever is greater, without the advance written approval of the Prince William County School Board. In making any modification, the resulting increase or decrease in cost for

the modification shall be determined by one of the following methods as selected by the Supervisor of Purchasing:

- 28.1. The written modification shall stipulate the mutually-agreed price for the specific addition to or deletion from the scope of services which shall be added to or deducted from the contract amount.
- 28.2. The written modification shall stipulate the number of unit quantities added to or deleted from the contract and multiplied by the unit price which shall be added to or deducted from the contract amount.
- 28.3. The written modification shall direct the Contractor to proceed with the work and to keep, and present in such form as PWCS may direct, a correct account of the cost of the change together with all vouchers therefore. The cost shall include an allowance for overhead and profit to be mutually agreed upon by PWCS and the Contractor.
29. **NON-DISCRIMINATION OF CONTRACTORS:** Any potential Offeror or Contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Faith-based organizations are also protected from discrimination on the basis of religious character as provided below.
 - 29.1. Faith-based organizations may enter into contracts with PWCS on the same basis as any other nongovernmental source may do so without impairing the religious character of such organization and without diminishing the religious freedom of the beneficiaries of assistance provided under such contracts.
 - 29.2. PWCS shall not impose conditions on contracts that restrict the religious character of the faith-based organization, except that money paid to the faith-based organization by or on behalf of PWCS will not be spent for religious worship, instruction, or proselytizing.
 - 29.3. Any faith-based organization awarded a contract by PWCS shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by PWCS.
 - 29.4. Faith-based organizations retain the right to employ persons of a particular religion to perform work connected with the carrying on by such organization of its activities.
 - 29.5. If an award of contract is made to a faith-based organization, and an individual who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, PWCS shall offer the individual, within a reasonable period of time after the date of objection, access to equivalent goods, services, or disbursement from an alternative provider.
 - 29.6. Any faith-based organization that is awarded a contract to provide goods, services, or disbursements to individuals shall also provide to such individuals a notice in bold face type that states: "Neither the public body's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No

provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider.

30. **PATENTS AND ROYALTIES:** The Contractor covenants to save, defend, keep harmless, and indemnify PWCS and all of its officers, departments, agents and employees (collectively known as "PWCS") from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, or exposure, however caused, for or on account of any trademark copyright, patented or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by PWCS. If the Contractor uses any design, device, or materials covered by letters patent or copyright, it is mutually agreed and understood without exception that the contract price includes, all royalties or costs arising from the use of such design, device, or materials in any way involved with the work.
31. **PRICE REDUCTION:** If at any time after the date of the proposal the Contractor makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for proposal on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor in addition will within ten days of any general price reduction notify PWCS of such reduction by letter. **FAILURE TO DO SO MAY RESULT IN TERMINATION OF THE CONTRACT FOR CAUSE.** Upon receipt of any such notice of a general price reduction, all ordering offices will be duly notified by PWCS.
32. **PROJECT STAFF:** PWCS will, throughout the life of the contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the project by the Contractor. If PWCS reasonably rejects staff or subcontractors, the Contractor must provide replacement staff or subcontractors satisfactory to PWCS in a timely manner and at no additional cost to PWCS. The day-to-day supervision and control of the Contractor's employees shall be the sole responsibility of the Contractor.
33. **RELATIONSHIP TO PWCS:** The Contractor will be legally considered as an independent contractor and neither the Contractor nor its employees will, under any circumstances, be considered servants or agents of PWCS. PWCS will not be legally responsible for any negligence or other wrongdoing by the Contractor, its servants or agents. PWCS will not withhold from the contract payments to the Contractor any federal or state unemployment. PWCS will not provide to the Contractor any insurance coverage or other benefits, including workers' compensation, normally provided by PWCS for its employees.
34. **SMALL AND MINORITY BUSINESS ENTERPRISES:** It is PWCS intent to undertake every effort to increase opportunity for utilization of small and minority businesses in all aspects of procurement to the maximum extent feasible. In connection with the performance of this contract, the Contractor agrees to use their best effort to carry out this intent and ensure that Small and Minority Businesses shall have the maximum practicable opportunity to

compete for subcontract work under this contract consistent with the efficient performance of this contract. Contractors may rely on oral or written representation by subcontractors regarding their status as small and/or minority business enterprises in lieu of an independent investigation.

35. SUBCONTRACTS:

- 35.1. The Contractor shall not enter into any subcontract with any subcontractor who has been suspended or debarred from participating in contracting programs by any agency of the United States Government or of the State in which the work under this contract is to be performed.
- 35.2. The Contractor shall be as fully responsible for the acts or omissions of its subcontractors, and of persons either directly or indirectly employed by them as for the acts or omissions of persons directly employed by the Contractor.
- 35.3. The Contractor shall insert appropriate clauses in all subcontracts to bind subcontractors to the terms and conditions of this contract insofar as they are applicable to the work of subcontractors.
- 35.4. Nothing contained in this contract shall create any contractual relationship between any subcontractor and PWCS.
- 35.5. PWCS has the right to approve or disapprove the use of any subcontractors being offered by the Contractor.

36. TERMINATION FOR CAUSE/DEFAULT: In case of failure to deliver goods or provide services in accordance with the contract terms and conditions, PWCS, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which PWCS may have. Specifically:

- 36.1. If, through any cause, the Contractor fails to fulfill in a timely and proper manner their obligations under the contract, or if the Contractor violates any of the covenants, agreements, or stipulations of the contract, PWCS shall thereupon have the right to terminate, specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall at the option of PWCS, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.
- 36.2. Notwithstanding the above, the Contractor shall not be relieved of liability to PWCS for damages sustained by PWCS by virtue of any breach of contract by the Contractor. PWCS may withhold any payments to the Contractor for the purpose of set off until such time as the exact amount of damages due to PWCS from the Contractor is determined.

37. TERMINATION FOR CONVENIENCE: PWCS reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, whenever the Supervisor of Purchasing determines that such a termination is in the best interest of PWCS. Any such termination shall be effected by delivery to the Contractor, at least ten (10) working days prior to the termination date, a Notice of Termination specifying the extent to which performance shall be terminated and date upon which such termination becomes effective. After receipt of a notice of termination, the Contractor must stop all work or deliveries under the purchase order/contract on the date and to the extent specified; however, any contract termination notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of termination. An equitable adjustment in the contract price shall be made for completed

service, but no amount shall be allowed for anticipated profit on unperformed services.

38. USE OF CONTRACT BY OTHER POLITICAL JURISDICTIONS:

- 38.1. Offerors are advised that all resultant contracts will be extended, with the authorization of the Offeror, to Northern Virginia Metropolitan Washington Council of Governments jurisdictions and other jurisdictions and Political Subdivisions of the Commonwealth of Virginia to permit their ordering of supplies and/or services at the prices and terms of the resulting contract. If any other jurisdiction decides to use the final contract, the Contractor must deal directly with that jurisdiction or political subdivision concerning the placement or orders, issuance of the purchase order, contractual disputes, invoicing and payment. PWCS acts only as the "Contracting Agent" for these jurisdictions and political subdivisions. Failure to extend a contract to any jurisdiction will have no effect on consideration of your proposal.
- 38.2. It is the awarded vendor's responsibility to notify the jurisdictions and political subdivision of the availability of the contract.
- 38.3. Each participating jurisdiction and political subdivision has the option of executing a separate contract with the awardee. Contracts entered into with them may contain general terms and conditions unique to those jurisdictions and political subdivisions covering minority participation, non-discrimination. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, the awardee may withdraw its extension of the award to that jurisdiction.
- 38.4. PWCS shall not be held liable for any costs or damage incurred by another jurisdiction as a result of any award extended to that jurisdiction or political subdivision by the awardee.

39. VIRGINIA FREEDOM OF INFORMATION ACT: Except as provided herein, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act. Any inspection of procurement transaction records under this provision shall be subject to reasonable restrictions to ensure the security and integrity of the records.

- 39.1. Cost estimates relating to a proposed transaction prepared by or for a public body shall not be open to public inspection.
- 39.2. Proposal records shall be open to the public only after award.
- 39.3. Any offeror who responds to an RFP shall be afforded the opportunity to inspect proposal records upon request within a reasonable time after the evaluation and negotiation of proposals are complete but prior to award, except in the event PWCS decides not to accept any of the proposals and to resolicit.
- 39.4. Trade secrets or proprietary information submitted by any offeror or Contractor in connection with a procurement transaction or prequalification application shall not be subject to public disclosure under the Virginia Freedom of Information Act if the offeror or Contractor invokes the protection of Virginia Code section 2.2-4342 F. in writing prior to or upon submission of the data or other materials, identifies the data or other materials to be protected, and states the reasons why protection is necessary. Offerors may not declare the entire proposal proprietary nor may they declare proposed pricing to be proprietary.

- 39.5. Nothing contained in this section shall be construed to require PWCS to furnish a statement of the reason(s) why a particular offer was not deemed to be the most advantageous to PWCS.
40. **INVOICES:** Invoices for goods and/or services ordered, delivered and accepted shall be submitted in duplicate by the Contractor(s) directly to the payment address shown on the purchase order/contract. **All invoices shall reference said purchase order/contract number and shall be in the same legal name of the Contractor as indicated on the Contract.**
41. **PAYMENT TERMS:**
- 41.1. The Contractor shall be paid on the basis of invoices submitted, to be paid net thirty (30) days from receipt and approval by an authorized PWCS official. Payment shall be made after satisfactory performance of the contract in accordance with all of the provisions thereof and upon receipt of a properly completed invoice. PWCS reserves the right to withhold any or all payments or portions thereof for contractor's failure to perform in accordance with the provisions of the contract or any modifications thereto.
- 41.2. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. However, this shall not affect offers of discounts for payment in less than 30 days.
42. **PAYMENT TO SUBCONTRACTORS:**
- 42.1. A Contractor awarded a contract under this solicitation is hereby obligated to:
- 42.1.1. Pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from PWCS for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or,
- 42.1.2. Notify PWCS and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason for such.
- 42.2. Unless otherwise provided under the terms of the Contract, interest shall accrue at the rate of one percent per month on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from PWCS except for amounts withheld as stated in the paragraph above. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. This obligation to pay interest is not an obligation of PWCS, and no contract modification will be made for the purpose of providing reimbursement of the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.
- 42.3. The provisions of 42.1 through 42.3 apply to each sub-tier contractor performing under the primary contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of PWCS or any participating jurisdiction.
43. **TAX EXEMPTION:** PWCS is exempt from the payment of federal excise or Virginia Sales and Use Tax. The proposal price must be net, exclusive of taxes. When under established trade practice, any federal excise tax is included in the list price, the Offeror may quote the list price and shall show separately the amount of federal excise tax, either as a flat sum or as a percentage of the list price, which shall be deducted by PWCS. PWCS Federal Excise Tax Exemption number is 54-6001533. A copy of PWCS Sales and Use Tax Certificate Exemption is posted on the PWCS Web site at <http://purchasing.departments.pwcs.edu/>.
44. **ACCEPTANCE OF OFFERS BINDING 120 DAYS:** Unless otherwise specified in the RFP, all formal offers submitted shall be binding one-hundred and twenty (120) calendar days following proposal opening date, unless extended by mutual consent of all parties.
45. **ARBITRATION:** It is expressly agreed that nothing under the contract shall be subject to arbitration, and any references to arbitration are expressly deleted from the contract documents.
46. **AUDIT:** The Contractor shall retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by PWCS, whichever is sooner. PWCS and its authorized agents shall have full access to and the right to examine any of said material during said period.
47. **CONTRACTUAL DISPUTES:** Any dispute concerning a question of fact including claims for money or other relief as a result of a contract with PWCS which is not disposed of by agreement shall be declared by the Supervisor of Purchasing, who shall reduce a decision to writing and mail or otherwise forward a copy thereof to the Contractor within ten (10) days. The decision of the Supervisor of Purchasing shall be final and conclusive unless the Contractor appeals within ten (10) days of receipt of the written decision. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty (60) days after final payment; however, as a condition precedent to consideration of the claim, the Contractor must give written notice of the intention to file such a claim at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pending claims shall not delay payment of amounts agreed due in the final payment.
48. **EXHAUSTION OF ADMINISTRATIVE REMEDIES:** No potential Offeror or Contractor shall institute any legal action until all administrative remedies available under this solicitation and resulting contract have been exhausted and until all statutory requirements have been met.
49. **PROTEST OF AWARD OR DECISION TO AWARD:** Any Offeror may protest the award or decision to award a contract by submitting a protest in writing to the Supervisor of Purchasing no later than ten (10) calendar days after public notice of the award or the announcement of the decision to award, whichever occurs first. Any potential offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit such protest in the same manner no later than ten (10) calendar days after posting or publication of the notice of such contract. The written protest shall include the basis for the protest and the relief sought. The Supervisor of Purchasing shall issue a decision in writing within ten (10) calendar days of the receipt of the protest stating the reasons for the action taken.
- 49.1. If, prior to award, it is determined that the decision to award is arbitrary or capricious then the sole relief shall be a finding to that effect. The Supervisor of Purchasing shall cancel the proposed award or revise it to comply with the law. If, after award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be declared void by PWCS. Where the award has been made and performance has begun, the Supervisor of Purchasing may declare the contract void upon a finding that this action is in the best interest of PWCS. Where a contract is declared void, the performing Contractor shall be compensated for the cost of performance at the rate specified in the contract up to the time of such declaration. In no event shall the performing Contractor be entitled to lost profits.

OFFEROR/CONTRACTOR REMEDIES

- 49.2. Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this paragraph shall not be affected by the fact that a protest or appeal has been filed.
- 49.3. An award need not be delayed for the period allowed an Offeror to protest, but in the event of a timely protest, no further action to award the contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the offer would expire.
50. **SEVERABILITY:** The sections, paragraphs, sentences, clauses and phrases of this Contract are severable, and if any phrase, clause, sentence, paragraph or section of this Contract shall be declared invalid by the valid judgment or decree of a court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Contract.

Commitments

U.S. Communities views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both U.S. Communities and the Supplier. U.S. Communities requires the Supplier to make the four commitments set forth below (Corporate, Pricing, Economy, Sales) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies:

(a) **Corporate Commitment.**

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier's primary contractual offering of Products and Services to Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's primary offering and not just one of Supplier's contract options.

(ii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier's senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's U.S. Communities program and linked to U.S. Communities' website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management

fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering

the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) **Supplier's Options in Responding to a Third Party Procurement Solicitation.** While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in the Administration Agreement, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) **Economy Commitment.** Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) **Sales Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. (ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, perpetual, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

ADMINISTRATION AGREEMENT

(iii) Deviating Buying Patterns. Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) Economy Commitment. Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) Sales Commitment. Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's

sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) Supplier Sales. Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

ADMINISTRATION AGREEMENT

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between U.S. Communities and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend U.S. Communities, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV

PRICING AUDITS

ADMINISTRATION AGREEMENT

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. U.S. Communities and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. U.S. Communities shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at U.S. Communities' sole cost and expense. Notwithstanding the foregoing, in the event that U.S. Communities is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, U.S. Communities shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. U.S. Communities may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V

FEES & REPORTING

5.1 Administrative Fees. Supplier shall pay to U.S. Communities a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of two percent (2%) of aggregate purchases made during each calendar month (individually and collectively, "Administrative Fees"). Supplier's annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to U.S. Communities, or its designee or trustee as may be directed in writing by U.S. Communities. Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. U.S. Communities agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency's costs incurred in connection with managing the Master Agreement nationally.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to U.S. Communities an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month ("Sales Report"). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by U.S. Communities against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. U.S. Communities reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

5.3 Exception Reporting/Sales Reports Audits. U.S. Communities or its designee may, at its sole discretion, compare Supplier's Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or U.S. Communities staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by U.S. Communities, U.S. Communities shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to

ADMINISTRATION AGREEMENT

resolve the discrepancy to U.S. Communities' reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to U.S. Communities' trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to U.S. Communities in writing to reporting@uscommunities.org. If Supplier does not resolve the discrepancy to U.S. Communities' reasonable satisfaction within thirty (30) days, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier's reports. Supplier shall solely be responsible for the cost of the audit.

5.4 Online Reporting. Within forty-five (45) days of the end of each calendar month, U.S. Communities shall provide online reporting to Supplier containing Supplier's sales reporting for such calendar month. Supplier shall have access to various reports through the U.S. Communities intranet website. Such reports are useful in resolving reporting issues and enabling Supplier to better manage its Master Agreement.

5.5 Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to U.S. Communities an electronic usage report of all sales under the Master Agreement, including:

- (i) Supplier's Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) U.S. Communities Price
- (vii) Number of times ordered
- (viii) Units sold
- (ix) Sales by Manufacturer

5.6 Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

ARTICLE VI

MISCELLANEOUS

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

6.3 Assignment.

ADMINISTRATION AGREEMENT

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of U.S. Communities, and any assignment without such consent shall be void.

(b) U.S. Communities. This Agreement and any rights or obligations hereunder may be assigned by U.S. Communities in U.S. Communities' sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform U.S. Communities' obligations hereunder.

6.4 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. U.S. Communities may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

6.5 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.6 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

6.8 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.9 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of California without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in Walnut Creek, California, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from

ADMINISTRATION AGREEMENT

seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party will be entitled to recover its reasonable attorneys' fees and arbitration costs from the other party. The arbitration award shall be final and binding. Each party commits that prior to commencement of arbitration proceedings, the parties shall submit the dispute to JAMS for mediation. The parties will cooperate with JAMS and with one another in selecting a mediator from JAMS panel of neutrals, and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs. The mediation will be conducted by each party designating a duly authorized officer or other representative to represent the party with the authority to bind the party, and that the parties agree to exchange informally such information as is reasonably necessary and relevant to the issues being mediated. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts, and attorneys, and by the mediator or any JAMS employees, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within thirty (30) days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the administration of the arbitration shall proceed. The mediation may continue, if the parties so agree, after the appointment of the arbitrator. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case. The pendency of a mediation shall not preclude a party from seeking provisional remedies in aid of the arbitration from a court of appropriate jurisdiction, and the parties agree not to defend against any application for provisional relief on the ground that a mediation is pending.

6.10 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon U.S. Communities, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement ("Agreement") is made between certain government agencies that execute a Lead Public Agency Certificate (collectively, "Lead Public Agencies") to be appended and made a part hereof and other government agencies ("Participating Public Agencies") that agree to the terms and conditions hereof through the U.S. Communities registration process and made a part hereof.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Public Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers (each, a "Contract Supplier") have entered into Master Agreements with Lead Public Agencies to provide a variety of goods, products and services based on national and international volumes (herein "Products and Services");

WHEREAS, Master Agreements are made available by Lead Public Agencies through U.S. Communities and provide that Participating Public Agencies may purchase Products and Services on the same terms, conditions and pricing as the Lead Public Agency, subject to any applicable local purchasing ordinances and the laws of the State of purchase;

WHEREAS, the parties desire to comply with the requirements and formalities of any intergovernmental cooperative act, if applicable, to the laws of the State of purchase;

WHEREAS, the parties hereto desire to conserve resources and reduce procurement cost;

WHEREAS, the parties hereto desire to improve the efficiency, effectiveness and economy of the procurement of necessary Products and Services;

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties agree as follows:

1. That each party will facilitate the cooperative procurement of Products and Services.
2. That the procurement of Products and Services subject to this Agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations that govern each party's procurement practices.
3. That the cooperative use of solicitations obtained by a party to this Agreement shall be in accordance with the terms and conditions of the solicitation, except as modification of those terms and conditions is otherwise allowed or required by applicable law.
4. That the Lead Public Agencies will make available, upon reasonable request and subject to convenience, information which may assist in improving the effectiveness, efficiency and economy of Participating Public Agencies' procurement of Products and Services.
5. That the Participating Public Agency will make timely payments to the Contract Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment, inspections and acceptance of Products and Services ordered by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency. Disputes between the Participating Public Agency and Contract Supplier are to be resolved in accord with the law and venue rules of the State of purchase.

6. The Participating Public Agency shall not use this Agreement as a method for obtaining additional concessions or reduced prices for similar products or services.
7. The Participating Public Agency is solely responsible for ordering, accepting, and paying and any other action, inaction or decision regarding the Products and Services obtained under this Agreement. A Lead Public Agency shall not be liable in any manner for any action or inaction or decisions taken by a Participating Public Agency. The Participating Public Agency shall, to the extent permitted by applicable law, hold the Lead Public Agency harmless from any liability that may arise from action or inaction of the Participating Public Agency.
8. The exercise of any rights or remedies by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency.
9. This Agreement shall remain in effect until termination by a party giving thirty (30) days prior written notice to U.S. Communities at 2999 Oak Road, Suite 710, Walnut Creek, CA 94597.
10. This Agreement shall become effective after execution of the Lead Public Agency Certificate or Participating Public Agency registration, as applicable.
