Re: Construction Speed Zoning
County: Webb
Highway: IH 35 SB
Control Section: 18-6

Dear Mr. Neeb:

We request a construction speed zone for the upcoming project on the above-mentioned highway project will consist of resurface of existing roadway mill/inlay, and we are providing you with the diagrammatic layouts. The new speed that shall govern for this roadway during construction will be as follows:

IH 35:

55 MPH from 680 ft after Scott St (Mile Point 1.402) to Pinnacle RD (Mile Point 6.676 / 5.274 Miles)

We respectfully request that you please submit Form 1204 and plans to the City Council during your next meeting so that a city ordinance may be passed. Please include this speed zone as defined above in your ordinance and provide us with a copy of the approved city ordinance for our files. Upon receipt of a copy of the city ordinance, we will schedule the installation of the new speed limit signs once the construction of the projects begins.

Should you have any questions or need additional information, please call me at (956) 764-1219.

Sincerely,
