FY 2024 FULL YEAR SECTION 5307 AND SECTION 5340 URBANIZED AREA APPORTIONMENTS

The amount apportioned in this notice includes funding authorized under the Bipartisan Infrastructure Law, enacted as the Infrastructure Investment and Jobs Act (Pub. L. 117-58), and is based on funding made available under the Consolidated Appropriations Act, 2024 (H.R. 4366 / Public Law 118-42, March 9, 2024).

Note: This table shows the amounts attributable to each State of a Multi-State Urbanized Area over 200,000 in population. These amounts are for **illustrative purposes only.** Designated recipients shall continue to sub-allocate funds allocated to an urbanized area based on a locally determined process, consistent with Section 5307 statutory requirements. Each State's share of a multi-state urbanized area was calculated on the basis of the percentage of population attributable to the States in the UZA, as determined by the 2020 Census.

Consistent with prior years, urbanized area apportionments for Section 5307 and Section 5340 are combined to show a single amount for each State or Territory. An area's apportionment amount includes regular Section 5307 funds, Small Transit Intensive Cities funds, and Growing States and High Density States formula funds, as appropriate.
