COMMITTEE RECOMMENDATION

The P & Z Commission, in a 8 to 0 vote, recommended approval of the Special Use Permit.

STAFF RECOMMENDATION

Staff **does not support** the proposed Special Use Permit.

STAFF COMMENTS

A Special Use Permit is used for those types of uses that warrant individual attention on a case by case basis and should not be categorized in a zoning district. A Special Use Permit is basically an overlay on top of the existing zoning designation and can be limited in many respects such as time, fencing, setbacks, landscaping, etc. A Special Use Permit is required for those restaurants located in R-O, B-1, or B-3 districts that wish to serve alcoholic beverages. The property is in a B-3 (Community Business District) zoning district.

Staff does not support the issuance of the proposed Special Use Permit at this location for the following reasons:

1. The proposed SUP location does not meet distance requirements as per Ordinance 2013-O-005, Section 24.93.7 (1) Establishments serving alcohol shall not be located within three hundred (300) feet of any church, public school, public park, residential structure or residential zoning district. The measurement is to be made from the front door of the establishment serving alcohol to the nearest property line (by shortest route) to the front door to the church, public school, entrance to the public park, front door of the residential structure or zoning district boundary and in a direct line across intersections wherever they occur and consistent with the measurement methodology as has been adopted by the Texas Alcoholic Beverage Commission.
2. The proposed SUP for a restaurant selling alcohol is not compatible with the existing zones and surrounded uses in this section of Del Mar Blvd.

Should the Commission recommend approval of the proposed SUP, staff suggests the following conditions:

1. The Special Use Permit is issued to Killam Development LTD, Owner; RE Kitchen, LLC, for Anise Kitchen & Market Restaurant, and is non-transferable.
2. The Special Use Permit is restricted to 2, 191.26 S.F. Floor Plan B, Suite 220, as per site plan, Exhibit "A", which is made part hereof for all purposes.
3. The Special Use Permit is restricted to a restaurant serving alcohol and hours of operation from Monday through Saturday from 11:00 a.m. through 12:00 a.m.
4. The establishment must make provisions to keep litter to a minimum, and to keep it

from blowing onto adjacent streets and properties.

5. Signage shall be consistent with the City's Sign Ordinance and TABC rules or regulations.
6. Off-street parking shall be provided in accordance with the City of Laredo Land Development Code.
7. Outdoor ambient music and speakers are allowed, and there shall be no ground vibrations created or sustained on the site which are perceptible without instruments at any point on any property adjoining the subject property.
8. At all times the restaurant is open to the public for business; it shall continually maintain and serve food from its full service menu.
9. The restaurant shall not exceed the "Occupant Load" as set forth in the Certificate of Occupancy with Occupant Load issued to SUP business holder.
10. The restaurant shall, during all hours of operation, maintain, free from obstruction or impediment to full instant use in the case of fire or other emergency, all exit accesses, exits or exit discharges.
11. The restaurant shall undergo an annual Fire Inspection.
12. All permits, licenses, certifications and inspections required by the codes and ordinances of the City of Laredo shall be kept up to date and current including but not limited to Food Manager License (annual), Food Handler's Permit (annual), and Certificate of Occupancy with Occupant Load, Occupant Load being the approved capacity of a building or portion thereof.
13. Landscaping of property shall be provided in accordance with the City of Laredo Land Development Code.
14. Lighting of property shall be screened to avoid adverse impact on adjacent residential neighborhoods.
15. Owner shall provide a 7' high opaque fence along property lines which abut or adjoin any residential zones/uses.
16. Owner shall comply with, Building, Health, Life and Safety, and all applicable codes and regulations as required.
17. The restaurant shall maintain and comply with the BLUE Gun Sign regulations as per TABC (not to exceed the required alcohol sales percentage).
18. The restaurant shall provide the City of Laredo, Planning Department with a copy of the current TABC License to include but not limited to any renewals or amendments as they occur.
