3 Award By Section

This contract will be awarded by section to the lowest responsive responsible bidder, in accordance to the provisions of Chapters 252 and 271 of the State of Texas – Local Government Code

☒ Yes

4 Terms and Conditions for Request for Bids

TERMS AND CONDITIONS OF INVITATIONS FOR BIDS GENERAL CONDITIONS Bidders are required to submit bids upon the following expressed conditions:

- (a) Bidders shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to requests additional compensation.
- (b) Bidders shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the bid conditions. No pleas of ignorance by the bidder of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.
- (c) Bidders are advised that City contracts are subject to the all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF BIDS Bids will be prepared in accordance with the following:

- (a) All information required by the bid form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.
- (b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.
- (c) Alternate bids will not be considered unless authorized by the invitation for bids or any applicable addendum
- (d) Proposed delivery time must be shown and shall include Sundays and holidays
- (e) Bidders will not include Federal taxes or State of Texas limited sales tax in bid prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.
- (f) The City shall pay no costs or other amounts incurred by any entity in responding to this RFB, or as a result of issuance of this RFB.

2.0 DESCRIPTION OF SUPPLIES Any catalog or manufacturer's reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate type and quality of material. Bidder is required to state exactly what they intend to furnish; otherwise bidder shall be required to furnish the items as specified.

3.0 SUBMISSION OF BIDS

- (a) Bids and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the bid opening and the material or services bid on shall be typed or written on the face of the envelope. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>
- (b) Unless otherwise noted on the Notice to Bidders cover sheet, all hand delivered bids must be submitted to the Office of the City Secretary, City Hall, 1110 Houston Street.
- (c) Bids forms can be downloaded and printed through Cit-E-Bid. **Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, email or facsimile bids will not be considered.**
- (d) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the bidder's expense.
- (e) Bids must be valid for a minimum period of sixty (60) days. An extension to hold bid pricing for actual quantity bids may be requested by the City.

4.0 REJECTION OF BIDS The City may reject a bid if:

- (a) Bidder misstates or conceals any material fact in the bid.
- (b) Bid does not strictly conform to the law or the requirements of the bid.
- (c) Bidder is in arrears on existing contracts or taxes with the City of Laredo.
- (d) If bids are conditional. Bidder may qualify their bid for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis bid must include all items in the specifications.
- (e) In the event that a bidder is delinquent in the payment of City taxes on the day the bids are opened, including state and local taxes, such fact shall constitute grounds for rejection of the bid or cancellation of the contract. A bidder is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.
- (f) No bid submitted herein shall be considered unless the bidder warrants that, upon execution of a contract with the City of Laredo, bidder will not engage in employment practices such as discriminating against employees

because of race, color, sex, creed, or national origin. Bidder will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all bids or any part of a bid whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any bid.

5.0 WITHDRAWAL OF BIDS Bids may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE BIDS OR MODIFICATIONS Bids and modifications received after the time set for the bid deadline will not be considered. Late bids will be returned to the bidder unopened.

7.0 CLARIFICATION OR OBJECTION TO BID SPECIFICATIONS If any person contemplating submitting a bid for this contract is in doubt as to the true meaning of the specifications, or other bid documents or any part thereof, they may submit to the City Purchasing Agent on or before seven (7) calendar days prior to the scheduled bid deadline a request for clarification which must be submitted in writing through email seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Enrique Aldape III 5512 Thomas Ave, Laredo, TX 78041 ealdape@ci.laredo.tx.us or Questions & Responses section on Cit-E-Bid system. Any vendor submitting questions shall make reference to a specific bid number, section, page and item of this solicitation. In case there are changes, additions, and/or edits to the original scope of work, and addendum will be issued by the purchasing agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other explanations or interpretations of the proposed bid made or given prior to the bid opening or award of contract.

(a) Protest Procedures: The purpose of this procedure is to establish procedures whereby a vendor may protest specific procurement actions by the City of Laredo. The following sequence of activities must take place in filing a protest:

(b) To be performed by protesting vendor: Within ten (10) days prior to the time that the City Council considers the recommendation of the City's Purchasing Officer, the protesting vendor must provide written protest to the City Purchasing Officer. Such protest must include specific reasons for the protest.

(c) To be performed by City's Purchasing Officer: Shall review the records of procurement and determine legitimacy and procedural correctness. With five (5) working days, the City Purchasing Officer shall provide written response to the protesting vendor of the decision.

(d) If the protesting vendor is not satisfied with the decision of the City Purchasing Officer, such protesting vendor may appeal to the City Manager of the City of Laredo. If the protesting vendor cannot resolve the issue with the City Manager, he shall be entitled to address his concerns when the City Council of the City of Laredo considers the awarding of the contract. Such appeal may be made only after exhausting all administrative procedures through the City Manager. All protests must be duly submitted via Certified Mail to: City of Laredo - Purchasing Agent 5512 Thomas Ave. Laredo, Texas 78041.

8.0 BIDDER DISCOUNTS

(a) Percent discounts within a certain period of time will be accepted but cannot be used in the bid evaluation. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

a) **ANNUAL SUPPLY/SERVICE CONTRACTS:** This contract does not commit the City to purchase the quantities indicated. The quantities are estimates and are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased. All annual contracts shall bound by the terms of the bid documents. In the event a new contract cannot be executed on the anniversary date of the original term or renewal term, the contract may be renewed month to month until a new contract is executed. The City's obligation for performance of an annual supply contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT

(a) This contract will be awarded to the **(lowest responsive responsible bidder)**, in accordance to the provisions of Chapters 252 and 271 of the State of Texas – Local Government Code.

Definition of lowest responsive and responsible bidder as per the Institute for Public Procurement is:

"Lowest Responsive and Responsible Bidder: The bidder who fully complied with all of the bid requirements and whose past performance, reputation, and financial capability is deemed acceptable, and who has offered the most advantageous pricing or cost benefit, based on the criteria stipulated in the bid documents."

(b) The City reserves the right to accept any item or group of items in the bid specifications, unless the bidder qualifies its bid by specific limitation. Proof: The bidder shall bear the burden of proof of compliance with the City of Laredo specifications.

(c) A written award of acceptance (a duly approved purchase order or Letter of Award) furnished by the City to the successful bidder results in a binding contract without further action by either party. These Terms and Conditions shall be the basis and governing document of the binding contract.

(d) A duly authorized purchase order number shall reference item/services description, item number, quantity and price. Invoices shall reference the assigned purchase order number to avoid any duplication (2 CFR 200.318 (d)).

(e) Prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to bid. The place of delivery shall be that set forth in the bid specifications and/or purchase order.

(f) Title & Risk of Loss: The title and risk of loss of goods shall not pass to the City of Laredo until the City actually receives and takes possession of the goods at the point or points of delivery. The terms of this agreement is "no arrival, no sale".

(g) Delivery time and prompt payment discounts will be considered in breaking ties. In the event of a tie bid, the successful bidder will be determined by choosing lots at the City Council meeting chambers.

(h) The City of Laredo shall give written notice to the contractor (supplier) if any of the following conditions exist:

1. Contractor does not provide materials in compliance with specifications and/or within the time schedule specified in bid.

2. Contractor neglects or refuses to remove materials or equipment which have been rejected by the City of Laredo if found not to comply with the specifications.

3. The contractor makes an unauthorized assignment for the benefit of any contractor.

Upon receiving written notification from the City that one of the above conditions has occurred, the contractor must remedy the problem within ten (10) calendar days, to the complete satisfaction of the City, or the contract will be immediately canceled.

4. Contract terms are the responsibility of the awarded vendor(s) and the respective City user department(s).

11.0 ENTIRE AGREEMENT

(a) All covenants, conditions and agreement contained in the solicitation, are hereby made part of the Agreement to the same extent and with the force as is fully set forth herein. If and to the extent of this Agreement and the terms of this solicitation and supplier response conflict Terms & Conditions of this solicitation shall control.

12.0 PAYMENT & INVOICING

(a) All invoices to the City of Laredo have a 30 day term from receipt of supplies or completion of services.

(b) Discount terms will be computed from the date of receipt and acceptance of supplies or services. Payment shall be deemed to be made from that date.

(c) All invoices must show the purchase order number and invoices shall be legible. Items billed on invoices should be specific as to applicable stock, manufacturer catalog or part number. All items must show unit prices. If prices are based on discounts from list, then list prices must appear on bid schedule. All invoices shall be mailed to the Accounts Payable Office, City Hall, and PO. Box 210, Laredo, Texas 78042.

(d) The City of Laredo offers electronic funds transfer (ETF) payments in lieu of check payment when a vendor has filled out an Electronic Funds Transfer Authorization Form issued by the City of Laredo or upon request from the vendor. This ensures prompt payment directly deposited to a bank account. The estimated payment time is up fifteen (15) days from the date payment is processed. (e) For any inquiries on payment status or general billing questions please contact: Jorge J. Jolly, Accounts Payable Manager 956-791-7328 jjolly@ci.laredo.tx.us 1110 Houston St. Laredo, TX 78040.

13.0 In accordance to State of Texas, the City of Laredo follows State practices when awarding any and all competitive solicitations:

TEXAS ENGINEERING AND LAND SURVEYING PRACTICE ACTS AND RULES CONCERNING PRACTICE AND LICENSURE

OCCUPATIONS CODE TITLE 6. REGULATION OF ENGINEERING, ARCHITECTURE, LAND SURVEYING, AND RELATED PRACTICES SUBTITLE A. REGULATION OF ENGINEERING AND RELATED PRACTICES CHAPTER 1001. TEXAS BOARD OF PROFESSIONAL ENGINEERS AND LAND SURVEYORS

CHAPTER 137: COMPLIANCE AND PROFESSIONALISM

SUBCHAPTER C: PROFESSIONAL CONDUCT AND ETHICS

§137.53 ENGINEER STANDARDS OF COMPLIANCE WITH PROFESSIONAL SERVICES PROCUREMENT ACT

(a) A licensed engineer shall not submit or request, orally or in writing, a competitive bid to perform professional engineering services for a governmental entity unless specifically authorized by state law and shall report to the board any requests from governmental entities and/or their representatives that request a bid or cost and/or pricing information or any other information from which pricing or cost can be derived prior to selection based on demonstrated competence and qualifications to perform the services. (b) For the purposes of this section, competitive bidding to perform engineering services includes, but is not limited to, the submission of any monetary cost information in the initial step of selecting qualified engineers. Cost information or other information from which cost can be derived must not be submitted until the

second step of negotiating a contract at a fair and reasonable cost. (c) This section does not prohibit competitive bidding in the private sector. Source Note: The provisions of this §137.53 adopted to be effective May 20, 2004, 29 TexReg 4878; amended to be effective June 4, 2007, 32 TexReg 2996.

2. All liability policies shall contain no cross liability exclusions or insured versus insured restrictions.

3. A waiver of subrogation in favor of the City of Laredo shall be contained in the Workers compensation, and all liability policies.

4. All insurance policies shall be endorsed to require the insurer to immediately notify The City of Laredo of any material change in the insurance coverage.

5. All insurance policies shall be endorsed to the effect that The City of Laredo will receive at least sixty- (60) days' notice prior to cancellation or non-renewal of the insurance.

6. All insurance policies, which name The City of Laredo as an additional insured, must be endorsed to read as primary coverage regardless of the application of other insurance.

7. Required limits may be satisfied by any combination of primary and umbrella liability insurances.

8. Contractor may maintain reasonable and customary deductibles, subject to approval by The City of Laredo.

9. Insurance must be purchased from insurers that are financially acceptable to the City of Laredo. Insurer must be rated A- or greater by AM Best Rating with an admitted carrier licensed by the Texas Department of Insurance.

(h) All insurance must be written on forms filed with and approved by the Texas Department of Insurance. Certificates of Insurance shall be prepared and executed by the insurance company or its authorized agent and shall contain provisions representing and warranting the following:

1. Sets forth all endorsements and insurance coverage's according to requirements and instructions contained herein.

2. Shall specifically set forth the notice-of-cancellation or termination provisions to The City of Laredo.

(i) Upon request, Contractor shall furnish The City of Laredo with certified copies of all insurance policies.

(j) Certificates of insurance are always subject to review and approval from the City of Laredo Risk Management.

(k) Specialty certificates and licenses must be inspected and verified for accuracy and validity before award of contract.

(l) Awarded vendor is required to maintain current and active all: certifications, licenses, permits and/or insurance coverages, required to perform work, throughout the duration of this project/contract.

☒ I agree my insurance meets minumum requirements

6 Disqualification & Debarment Certification

DISQUALIFICATION & DEBARMENT CERTIFICATION By submitting this request for bids, proposal or statement of qualifications, the firm certifies that it is not currently debarred or eligible for debarment from the City of Laredo pursuant to **Ordinance No. 2017-O-098**, and that it is not an agent of a person or entity that is currently debarred from receiving contracts from any political subdivision or agency of the State of Texas. The City will further verify debarment status through use of the federal website SAM.gov. The contract parties are further prohibited from making any award at any tier to any party that is debarred or suspended or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549, "Debarment and Suspension."

By executing this agreement, the Engineer certifies that it is not currently debarred, suspended, or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549. The parties to this contract shall require any party to a subcontract or purchase order awarded under this contract to certify its eligibility to receive Federal funds and, when requested by the City, to furnish a copy of the certification. Additionally, in accordance with Chapter 2270, Texas Government Code, a governmental entity may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract.

The signatory executing this contract on behalf of company verifies that the company does not boycott Israel and will not boycott Israel during the term of this contract. S.B. 252 (V. Taylor/S. Davis) is a bill relating to government contracts with terrorists. The bill provides that: (1) a governmental entity, including a city, may not enter into a governmental contract with a company that is identified on a list prepared and maintained by the comptroller and that does business with Iran, Sudan, or a foreign terrorist organization; and (2) a company that the United States government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, its federal sanctions regime relating to Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition under the bill.

☒ I certify to the terms and conditions

7 Contract Requirements

1.CODE OF ETHICS ORDINANCE Vendors doing business with the City of Laredo shall comply with all provisions of the City of Laredo's Code of Ethics (Ordinance, as amended). Vendors may be required to participate in Code of Ethics trainings.

1.2 PROHIBITED CONTACTS DURING CONTRACT SOLICITATION PERIOD A person or entity who seeks or applies for a city contract or any other person acting on behalf of such person or entity, is prohibited from contacting city officials and employees regarding such a contract after a Formal Bid, Request for Proposal (RFP), Request for Qualification (RFQ) or other solicitation has been released. This no-contact provision shall conclude when the contract is awarded. The City of Laredo reserves the right to contact respondents and may require such contact as part of the evaluation process (for presentation, clarification) of bids and/or negotiation of RFP submittal(s) prior to the award of contract. If contact is required, such contact will be done in accordance with provisions of Chapter 252 and 271 of the Texas Local Government Code and procedures incorporated into the solicitation document. Violation of this provision by respondents or their agents may lead to disqualification of their offer from consideration.

1.3 NON-COLLUSIVE AFFIDAVIT (Form can be downloaded and submitted through Cit-E-Bid system) The City may require that vendors submit a Non-Collusive Affidavit. The vendor will be required to state that the party submitting a proposal or bid, that such proposal or bid is genuine and not collusive or sham; that said Bidder has not colluded, conspired, connived or agreed, directly or indirectly, with any Bidder or Person, to put in a sham bid or to refrain from bidding, and has not in any manner, directly or indirectly, sought by agreement or collusion, or communication or conference, with any person, to fix the bid price or affiant or of any other Bidder, or to fix any overhead, profit or cost element of said bid price, or of that of any other Bidder, or to secure any advantage against the City of Laredo or any person interested in the proposed contract; and that all statements in said proposal or bid are true.

1.4 CONTRACT DISCLOSURE FORMS (This is submitted through Cit-E-Bid system) The City of Laredo requires the following forms to be completed as a part of this bid for consideration; 1. Company Information Questionnaire, 2. Signed Price Schedule, 3. Conflict of Interest Questionnaire, 4. Non-Collusive Affidavit 5. Discretionary Contracts Disclosure 6. Certificate of Interested Parties (Form 1295) ****Upon Award of RFP Only****

1.5 CONFLICT OF INTEREST FORMS (This is submitted through Cit-E-Bid system) Conflict of Interest Disclosure: A form disclosing potential conflicts of interest involving counties, cities, and other local government entities may be required to be filed after January 1, 2006, by vendors or potential vendors to local government entities. The new requirements are set forth in Chapter 176 of the Texas Local Government Code added by H.B. No. 914 of the last Texas Legislature.

1.6 TEXAS ETHICS COMMISSION (Form 1295, Form can be downloaded and submitted through Cit-E-Bid system) Certificate of Interested Parties (Form 1295) Implementation of House Bill 1295: In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm>. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Bid Lines

1 Notice is hereby given that the City of Laredo is now accepting sealed bids, subject to the Terms and Conditions of this Invitation for Bids and other contract provisions, for awarding an annual contract for the supply of Asphalt Hot Mix Type B & D for the Public Works and various City of Laredo Departments. Copies of the specifications may be obtained from the Finance Department – Purchasing Division, 5512 Thomas Ave., Laredo, TX 78041 or by downloading from our website: <https://cityoflaredo.ionwave.net/CurrentSourcingEvents.aspx>. Bids can be hand delivered to City Secretary Office, 1110 Houston St., 3rd. Floor, Laredo, Texas 78040 or submitted through Cit-E-Bid system until 5:00 P.M. on June 28, 2024 and all submitted bids received will be opened and publicly acknowledged at 11:00 A.M. on July 1st, 2024.

2 1.0 General Conditions 1.1 Bidders are required to submit their bids upon the following expressed conditions: Bidders shall thoroughly examine the specifications, schedule instructions and other contract documents. No pleas of ignorance by the bidder of conditions that exist or that may hereafter exist as a result of failure of omission on the part of the bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor. 1.2 Bidders are advised that all City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes. 1.3 Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern. 1.4 The City of Laredo reserves the right to reject any or all bids, and to waive minor irregularities as well as the right to determine the bid most advantageous to the City. 1.5 Bids will be requested F.O.B vendor's plant. If material cannot be picked up within stated time, the City of Laredo reserves the right to approach an alternate source until primary supplier can supply materials. When using an alternate supplier, material will be purchased at competitive prices as approved by the City. The differences in cost, if any, may be charged against contracted supplier. 1.6 All quantities listed are estimates only and will be used for low bid determination. The City of Laredo will determine the dollar amount of this contract and shall be contingent upon approval from City Council. The City of Laredo reserves the right to purchase more or less than quantities indicated.

3 2.0 General Requirements. 2.1 The general specifications for each material are listed in detail by category. Potential bidders must thoroughly review the City requirements. Bidders are hereby advised that some materials must be tested by an independent laboratory to ascertain compliance with the City's bid specifications. This testing must be done at the expense of the bidder and the independent testing laboratory must be approved by the City. Test designs shall be no older than one year. Bids without a Certified Laboratory Test Report will not be considered. 2.2 Some materials require that the vendor indicate the source of material. Bidders are reminded to include that information.

4 3.0 Asphalt Stabilized Base Type B. 3.1 Description : This item shall consist of base courses, to be composed of a compacted mixture of mineral aggregates and asphaltic materials mixed hot in a mixing plant in conformance with latest edition from the Texas Department of Transportation, "Standard Specifications for Construction of Highways, Streets and Bridges ", Item 340. 5.2 Asphaltic Materials: Mixture- Asphalt for the mixture shall meet the requirements for AC-10, AC-20, or AC-40 asphalt. The grade of asphalt to be used will be approved by the Engineer after design tests have been made using the mineral aggregate approved for use in the construction of this item . Mineral Aggregate: Description: The material shall be crushed or un-crushed and screened as necessary to meet the requirements hereinafter specified and shall consist of durable coarse aggregate particles mixed with approved binding materials. Asphalt Stabilized Mixture: Paving Mixture: The mixture shall consist of a uniform mixture of mineral aggregate and asphaltic material. The mineral aggregate will conform to the gradation requirements as shown on the plans. The exact percent asphaltic material in the mixture shall be 3.0 to 7.0 percent of the mixture by weight unless otherwise shown on the plans, or as approved by the engineer. Tolerances: Sample of the mixture placed in the field shall not vary from the approved mix design as follows: The sieve analysis from the job site sample shall not vary from the design by more than 5% on any individual or combination of sieves and still within master gradation limits and shall not vary from the asphalt content by more than 0.5 percent dry weight. Defective material will be replaced by the supplier at his expense or by the project contractor at a calculated or contracted cost and charged against the supplier.

5 4.0 Asphalt Type "D" Specifications. These specifications shall govern for the materials which shall be used for a base course, a leveling up course, a surface course or any combination thereof, and which shall be composed of a mixture of (1) Mineral Aggregate and Asphaltic material as necessary to meet the requirements for hot-mix asphaltic concrete pavement, and (2) limestone rock asphalt and fluxing materials as necessary to meet the requirements of cold mix limestone rock asphalt. Materials used in Hot-Mix Asphaltic Concrete Pavement shall meet the requirements as set forth in Item 340 of the latest edition of the Texas Department of Transportation, "Standard Specifications of Construction of Highways, Streets and Bridges " for the types of asphalt specified. Asphalt for the paving mixture shall be the type as determined by the City Engineer and shall meet the requirement of Item 300 "Asphalt, Oils, and Emulsions", Texas Department of Transportation, "Standard Specifications for Construction of Highways, Streets and Bridges". The supplier shall notify the engineer of the source of asphalt and submit a certificate of compliance of materials prior to design or production. These specifications shall also govern for all equipment for handling and mixing materials, which equipment shall conform to the latest edition of the Texas Department of Transportation, "Standard Specifications for Construction of Highways, Streets and Bridges ", Item 340. Sampling and testing procedures shall conform to the requirements of the ASTM Designation D979-74: 3: 12. The material shall be approved by the City Engineer prior to use. Sampling and testing for the development of preliminary data shall be obtained by the purchaser. Sampling and testing for control of the product at the source of manufacture, storage, or site of use shall be obtained by the purchaser at his own expense. Sampling and testing for acceptance of testing shall be performed by an independent testing laboratory designated by the City Engineer. One copy of the test report shall be submitted to each; the engineer, the supplier and Department of Public Works Director. Type "D" (Fine-Graded Surface Course) Bin No. 1- Shall contain aggregates of which 85 to 100 percent will pass the No. 10 sieve. Bin No.2- Shall contain aggregates of which at least 70 percent will be such size as to pass the No. 4 Sieve and be retained on the No. 10 sieve. Bin No.3- Shall contain aggregates of which at least 75 percent will be of such size as to pass the ½ inch sieve and be retained on the No. 4 sieve.

5.0 Asphalt Type "D" with 1% lime. These specifications shall govern for the materials which shall be used for a base course, a leveling up course, a surface course or any combination thereof, and which shall be composed of a mixture of (1) Mineral Aggregate and Asphaltic material as necessary to meet the requirements for hot-mix asphaltic concrete pavement, and (2) limestone rock asphalt and fluxing materials as necessary to meet the requirements of cold mix limestone rock asphalt.

Materials used in Hot-Mix Asphaltic Concrete Pavement shall meet the requirements as set forth in Item 340 of the latest edition of the Texas Department of Transportation, "Standard Specifications of Construction of Highways, Streets and Bridges" for the types of asphalt specified.

Asphalt for the paving mixture shall be the type as determined by the City Engineer and shall meet the requirement of Item 300 "Asphalt, Oils, and Emulsions", from the latest edition of the Texas Department of Transportation, "Standard Specifications for Construction of Highways, Streets and Bridges". The supplier shall notify the engineer of the source of asphalt and submit a certificate of compliance of materials prior to design or production. These specifications shall also govern for all equipment for handling and mixing materials, which equipment shall conform to the latest edition of the Texas Department of Transportation, "Standard Specifications for Construction of Highways, Streets and Bridges", Item 340.

Sampling and testing procedures shall conform to the requirements of the ASTM Designation D979-74: 3:1 2.

The material shall be approved by the City Engineer prior to use. Sampling and testing for the development of preliminary data shall be obtained by the purchaser. Sampling and testing for control of the product at the source of manufacture, storage, or site of use shall be obtained by the purchaser at his own expense. Sampling and testing for acceptance of testing shall be performed by an independent testing laboratory designated by the City Engineer. One copy of the test report shall be submitted to each; the engineer, the supplier and Department of Public Works Director.

Mineral Filler. Mineral filler consists of finely divided mineral matter such as agricultural lime, crusher fines, hydrated lime, cement, or fly ash. Mineral filler is allowed unless otherwise shown on the plans. Do not use more than 1 % hydrated lime, unless otherwise shown on the plans.

Additives. When shown on the plans, use the type and rate of additive specified. Other additives that facilitate mixing or improve the quality of the mixture may be allowed when approved. If lime or a liquid anti-stripping agent is used, add in accordance with Item 301, "Asphalt Anti-stripping Agents." Do not add lime directly into the mixing drum of any plant where lime is removed through the exhaust stream unless the plant has a baghouse or dust collection system that reintroduces the lime back into the drum.

Addition of 1.0 percent Type "A" hydrated lime based on the dry weight of the aggregate is required. Lime addition shall be in accordance with Item 301. All moisture damage testing requirements contained in Item 301 shall remain in effect. Lime shall be added in dry form and in a suitable pug mill mixer. The material filler shall be proportioned into the mix by a vane meter or an equivalent measuring device acceptable to the City of Laredo. A hopper or other acceptable storage system shall be required to maintain a constant supply of mineral filler to the measuring device.

The measuring device for adding mineral filler shall be tied into the automatic plant controls so that the supply of mineral filler will be automatically adjusted to plant production and provide a consistent percentage to the mixture.

5.1 Testing and Inspection. The City of Laredo shall require that a certified lab test report be submitted with the bid document for each of the asphalt materials being requested: asphalt and asphalt with 1% lime.

Sampling and testing procedures shall conform to the requirements of the appropriate designation of the American Association of State Highway Officials or the American Society for Testing Materials. The source of material shall be approved by the City Engineer prior to use.

Testing for the Atterberg Limits, Gradations, etc. shall be performed by an independent testing laboratory approved by the City, and a copy of the Laboratory Test Report is to be submitted as part of the bid for that particular material to ascertain compliance to the specifications. Test reports shall be no older than one year. Bids without a Certified Laboratory Test Report will not be considered. A certified test report is needed for both the Type "D" Hot mix with and without the 1% lime.

6.0 Asphalt Type "D" with 1% lime and Reclaimed Asphalt Pavement (RAP) Reclaimed asphalt pavement materials are generated when asphalt pavements are removed during resurfacing. The RAP materials shall be provided by the City of Laredo. These specifications shall govern for the materials which shall be used for a base course, a leveling up course, a surface course or any combination thereof, and which shall be composed of a mixture of (1) Mineral Aggregate and Asphaltic material as necessary to meet the requirements for hot-mix asphaltic concrete pavement, and (2) limestone rock asphalt and fluxing materials as necessary to meet the requirements of cold mix limestone rock asphalt.

Materials used in Hot-Mix Asphaltic Concrete Pavement shall meet the requirements as set forth in Item 340 of the latest edition of the Texas Department of Transportation, "Standard Specifications of Construction of Highways, Streets and Bridges" for the types of asphalt specified. Asphalt for the paving mixture shall be the type as determined by the City Engineer and shall meet the requirement of Item 300 "Asphalt, Oils, and Emulsions", from the latest edition of the Texas Department of Transportation, "Standard Specifications for Construction of Highways, Streets and Bridges". The supplier shall notify the engineer of the source of asphalt and submit a certificate of compliance of materials prior to design or production. These specifications shall also govern for all equipment for handling and mixing materials, which equipment shall conform to latest edition of the Texas Department of Transportation, "Standard Specifications for Construction of Highways, Streets and Bridges", Item 340.

Sampling and testing procedures shall conform to the requirements of the ASTM Designation D979-74: 3:12. The material shall be approved by the City Engineer prior to use. Sampling and testing for the development of preliminary data shall be obtained by the purchaser. Sampling and testing for control of the product at the source of manufacture, storage, or site of use shall be obtained by the purchaser at his own expense. Sampling and testing for acceptance of testing shall be performed by an independent testing laboratory designated by the City Engineer. One copy of the test report shall be submitted to each; the engineer, the supplier and Department of Public Works Director.

Mineral Filler. Mineral filler consists of finely divided mineral matter such as agricultural lime, crusher fines, hydrated lime, cement, or fly ash. Mineral filler is allowed unless otherwise shown on the plans. Do not use more than 1% hydrated lime, unless otherwise shown on the plans.

Additives. When shown on the plans, use the type and rate of additive specified. Other additives that facilitate mixing or improve the quality of the mixture may be allowed when approved. If lime or a liquid anti-stripping agent is used, add in accordance with Item 301, "Asphalt Anti-stripping Agents." Do not add lime directly into the mixing drum of any plant where lime is removed through the exhaust stream unless the plant has a baghouse or dust collection system that reintroduces the lime back into the drum.

Addition of 1.0 percent Type "A" hydrated lime based on the dry weight of the aggregate is required. Lime addition shall be in accordance with Item 301. All moisture damage testing requirements contained in Item 301 shall remain in effect. Lime shall be added in dry form and in a suitable pug mill mixer. The material filler shall be proportioned into the mix by a vane meter or an equivalent measuring device acceptable to the City of Laredo. A hopper or other acceptable storage system shall be required to maintain a constant supply of mineral filler to the measuring device. The measuring device for adding mineral filler shall be tied into the automatic plant controls so that the supply of mineral filler will be automatically adjusted to plant production and provide a consistent percentage to the mixture.

6.1 Testing and Inspection. The City of Laredo shall require that a certified lab test report be submitted with the bid document for each of the asphalt materials being requested: asphalt and asphalt with 1% lime. Sampling and testing procedures shall conform to the requirements of the appropriate designation of the American Association of State Highway Officials or the American Society for Testing Materials. The source of material shall be approved by the City Engineer prior to use. Testing for the Atterberg Limits, Gradations, etc. shall be performed by an independent testing Laboratory approved by the City, and a copy of the Laboratory Test Report is to be submitted as part of the bid for that particular material to ascertain compliance to the specifications. Test reports shall be no older than one year. The City will accept a test report with RAP and with the 1% lime thirty days after a bid award for a design mix with City provided RAP.

8 7.0 Award of Contract. Submission and award of bid shall be based on the "Terms and Conditions of the Invitation for Bids", which is attached and is part of these specifications. This contract will be to the lowest responsible bidder or bidders based on the evaluation factors listed in the request for bid document, in accordance to the provisions of Chapters 252 and 271 of the State of Texas – Local Government Code. Primary and or Secondary vendor or vendors will be awarded this contract. 7.1 Annual Supply/Service Contract: This contract does not commit the City to purchase the quantities indicated. The quantities are estimates and are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. 7.3 Contract may be terminated if material supplied continuously fails four (4) times to meet the specifications as included herein and as determined by the City Engineer or the testing laboratory procured.

9 8.0 Term of Contract, 8.1 The term of this contract shall be for a period of one (1) year beginning as of the date of its execution. The contract may be extended for three (3) one (1) year periods. Should the vendor desire to extend the contract for the additional one year period, it must so notify the City in writing no later than sixty (60) days before the expiration of the prior term. Such notification shall be effective upon actual receipt by the City. Renewals shall be in writing and signed by the City's Purchasing Manager & City Manager or his designee, without further action by the Laredo City Council, subject to and contingent upon appropriation of funding therefore. All annual contracts shall bound by the terms of the bid documents. The City shall also have the right to extend this contract under the same terms and conditions beyond the original term or any renewal thereof, on a month to month basis, not to exceed 3 months. Said month to month extensions shall be in writing, signed by the City's Purchasing Manager & City Manager or his designee, and shall not require City Council approval, subject to and contingent upon appropriation of funding therefore. The City reserves the right to renew or rebid this contract, if the appropriated funds initially approved by City Council are exhausted before the contract expiration date. 8.2 This contract shall be the responsibility of and administered by the vendor and the City of Laredo Public Works Department..

10 9.0 Price Adjustment. During the period of this contract, prices may increase and decreased. However, price changes will be governed by an index made up of the composite posted prices in the Laredo area of those companies published in the daily publication of Oil Price Information Service (OPIS). The base price shall be the OPIS average rack price for the Laredo area. The base price bid of the vendor will remain fixed during the contract period. The City of Laredo will allow unit price adjustments upwardly or downwardly when correlated with an industry wide adjustment. Any request for reasonable price adjustments will be considered. Justification for the request adjustment on original fixed pricing must have mutual consent from both parties and be supported by appropriate documentation. The City will not take action to intentionally delay legitimate manufacturer unit price increases. The City of Laredo reserves the right to cancel the contract if the price increase is deemed excessive; a new contract vendor will be selected on the basis of competitive bids. Documentation may be emailed to ealdape@ci.laredo.tx.us.
