Arturo, Tenoch last time promise price for one year but did not keep promise. They are lowest bidder again. Do we give them the contract or go with Core & Main which bid higher but would sell pipe at market price when we order.

Good Morning, Juan

We are firm on our pricing as per bid documents for 6 months with several 6 extension.
Like our previous contract we did 2 Extension for a total of 1-1/2 years at the same price.
This is a savings to the City of Laredo.

Thank you for the opportunity

Juan,

Per Section 17.0 the price should hold for 1-year. I would ask the supplier to hold the price for 1-year.

Thank you.
