Subject: FW: Gilead FOCUS Grant

Importance: High

FYI second year we will include hep c with added funding. Remember this is tied to a non-for profit organization and after second year we will be part of a nation wide group that share information and research. This will help us pay salaries under the 340b

Good afternoon Dr. Cerda and Genesis,

Congratulations, your Gilead FOCUS funding through University Health was approved. I will send out the appropriate documents soon and start the contract documents soon.

Looking forward to continued partnership,

Racquel Owino, MPH
