Re: Construction Speed Zoning  
County: Webb  
Highway: IH35 WFR  
Control Section: 18-5

Dear Mr. Neeb:

We request a construction speed zone for the upcoming project on the above-mentioned highway project will consist of rehabilitation of existing roadway, and we are providing you with the speed zone layouts. The new speed that shall govern for this roadway during construction will be as follows:

IH35 WFR SB:

45 MPH Approx. 135 feet prior to Beltway Pkwy (Mile Point 1.828) to approx. 310 feet after Beltway Pkwy (Mile Point 1.744 / 0.084 Miles)

We respectfully request that you please submit Form 1204 and plans to the City Council during your next meeting so that a city ordinance may be passed. Please include this speed zone as defined above in your ordinance and provide us with a copy of the approved city ordinance for our files. Upon receipt of a copy of the city ordinance, we will schedule the installation of the new speed limit signs once the construction of the projects begins.

Should you have any questions or need additional information, please call me at (956) 764-1215.

Sincerely,
