Issued by the State of Oklahoma
 Solicitation Number EV00000754

Bidder Name: Model 1 Commercial Vehicles

EXHIBIT 04: Cost Template Bidders Instruction	
7.8 Section Eight: Pricing (Will not be held Confidential)	
Individual Vehicle and Optional Equipment Cost Template	
Submit a template for each vehicle offered	
For every vehicle listed in the master vehicle offering list, an individual vehicle template must also be submitted with all the specific information regarding the vehicle offered and may include additional information such as specifications for vehicles not listed but offered as a Value Add by bidder.	
Instructions: For each ADA vehicle offered, list the Base Vehicle and cost per unit. As well as fill out each line of requested information. If you are attaching a supplementary PDF with prices, please select YES on the "Attached File" Drop down Menu related to the category, and then provide the file name. It is acceptable to have an attached PDF file that combines multiple vehicles, but each vehicle must have an individual cost template. *Pricing must include travel and delivery costs (FOB). *Add additional lines as needed. Items listed below are for example and are not to be considered binding.	
Base Vehicle:	State Cost Per Vehicle
Hometown Trolley Villager	\$ 303,525.00
Chassis Specifications:	
Specify Overall Vehicle Length (Outside of front bumper to outside of rear bumper using Inches)	Length in Inches:
Minimum Overall Vehicle Width	96"
Maximum Overall Vehicle Width	96"
Minimum Exterior Width	96"
Maximum Exterior Width	96"
Minimum Height Exterior	123.5"
Maximum Height Exterior	123.5"
Minimum Height Interior	80.5"
Maximum Height Interior	80.5"
Minimum Wheelbase	178"
Maximum Wheelbase	178"
Air Conditioning	
Make/Model	Valeo Transit

Request for Proposals for
SW0797 ADA Transit Vehicles
 Issued by the State of Oklahoma
 Solicitation Number EV00000754
 Bidder Name: Model 1 Commercial Vehicles

EXHIBIT 04: Cost Template Bidders Instruction	
7.8 Section Eight: Pricing (Will not be held Confidential)	
Individual Vehicle and Optional Equipment Cost Template	
Submit a template for each vehicle offered	
For every vehicle listed in the master vehicle offering list, an individual vehicle template must also be submitted with all the specific information regarding the vehicle offered and may include additional information such as specifications for vehicles not listed but offered as a Value Add by bidder.	
Instructions: For each ADA vehicle offered, list the Base Vehicle and cost per unit. As well as fill out each line of requested information. If you are attaching a supplementary PDF with prices, please select YES on the "Attached File" Drop down Menu related to the category, and then provide the file name. It is acceptable to have an attached PDF file that combines multiple vehicles, but each vehicle must have an individual cost template.	
*Pricing must include travel and delivery costs (FOB). *Add additional lines as needed. Items listed below are for example and are not to be considered binding.

Issued by the State of Oklahoma
 Solicitation Number EV00000754

Bidder Name: Model 1 Commercial Vehicles

EXHIBIT 04: Cost Template Bidders Instruction	
7.8 Section Eight: Pricing (Will not be held Confidential)	
Individual Vehicle and Optional Equipment Cost Template	
Submit a template for each vehicle offered	
For every vehicle listed in the master vehicle offering list, an individual vehicle template must also be submitted with all the specific information regarding the vehicle offered and may include additional information such as specifications for vehicles not listed but offered as a Value Add by bidder.	
Instructions: For each ADA vehicle offered, list the Base Vehicle and cost per unit. As well as fill out each line of requested information. If you are attaching a supplementary PDF with prices, please select YES on the "Attached File" Drop down Menu related to the category, and then provide the file name. It is acceptable to have an attached PDF file that combines multiple vehicles, but each vehicle must have an individual cost template. *Pricing must include travel and delivery costs (FOB). *Add additional lines as needed. Items listed below are for example and are not to be considered binding.	
Base Vehicle:	State Cost Per Vehicle
Hometown Trolley Villager	\$ 303,525.00
Chassis Specifications:	
Specify Overall Vehicle Length (Outside of front bumper to outside of rear bumper using Inches)	Length in Inches:
Minimum Overall Vehicle Width	96"
Maximum Overall Vehicle Width	96"
Minimum Exterior Width	96"
Maximum Exterior Width	96"
Minimum Height Exterior	123.5"
Maximum Height Exterior	123.5"

Request for Proposals for
SW0797 ADA Transit Vehicles
 Issued by the State of Oklahoma
 Solicitation Number EV00000754
 Bidder Name: Model 1 Commercial Vehicles

EXHIBIT 04: Cost Template Bidders Instruction	
<small>7.8 Section Eight: Pricing (Will not be held Confidential)</small>	
Individual Vehicle and Optional Equipment Cost Template	
Submit a template for each vehicle offered	
For every vehicle listed in the master vehicle offering list, an individual vehicle template must also be submitted with all the specific information regarding the vehicle offered and may include additional information such as specifications for vehicles not listed but offered as a Value Add by bidder.	
<p>Instructions: For each ADA vehicle offered, list the Base Vehicle and cost per unit. As well as fill out each line of requested information. If you are attaching a supplementary PDF with prices, please select YES on the "Attached File" Drop down Menu related to the category, and then provide the file name. It is acceptable to have an attached PDF file that combines multiple vehicles, but each vehicle must have an individual cost template.</p> <p>*Pricing must include travel and delivery costs (FOB). *Add additional lines as needed. Items listed below are for example and are not to be considered binding.</p>	
Base Vehicle:	State Cost Per Vehicle
Forest River MobilityTRANS In-Stock Ford E-Transit (68kWH)	\$ 52,200.00
Chassis Specifications:	
Specify Overall Vehicle Length (Outside of front bumper to outside of rear bumper using Inches)	Length in Inches:
Minimum Overall Vehicle Width	81"
Maximum Overall Vehicle Width	82"
Minimum Exterior Width	81"
Maximum Exterior Width	82"
Minimum Height Exterior	99"
Maximum Height Exterior	100"
Minimum Height Interior	52"
Maximum Height Interior	56"
Minimum Wheelbase	148"
Maximum Wheelbase	148"
Air Conditioning	
Make/Model	OEM - Ford
BTU/HR of rear unit only	32,500
Heating	
Make/Model	OEM - Ford
BTU/HR of rear unit only	44,500
Optional Equipment Available	
Optional Item & Description	Cost Per Unit
ACCESSIBILITY OPTIONS	
BODY LENGTH ADJUSTMENTS	
PROPULSION SYSTEM ADJUSTMENTS	
INTERIOR VEHICLE OPTIONS	
EXTERIOR VEHICLE OPTIONS	
DESTINATION SIGNS	
CAMERA SYSTEMS	
Additional Support
