## FIRST AMENDMENT TO LICENSE AGREEMENT

THIS FIRST AMENDMENT TO LICENSE AGREEMENT dated as of the latter of the signature dates below (“Effective Date”), is by and between the City of Laredo, Texas, a municipal corporation (“**Licensor**”) and New Cingular Wireless PCS, LLC, a Delaware limited liability company (“**Licensee**”).

WHEREAS, Licensor and Licensee entered into a License Agreement dated August 13<sup>th</sup>, 2011, whereby Licensor Licensed to Licensee certain Premises, therein described, that are a portion of the Property located at 7803 Mines Road, Laredo, Webb County, Texas ("Agreement"); and

WHEREAS, Licensor and Licensee desire, in their mutual interest, wish to amend the Agreement as set forth below.

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Licensor and Licensee agree as follows:

- 1. New Premises Area.** Licensor agrees to increase the size of the Premises Licensed to Licensee to accommodate Licensee’s needs by approximately Forty (40) square feet. Upon the execution of this Amendment, Licensor licenses to Licensee the additional premises described on attached Exhibit A (“New Premises Area”), which Licensor understands to be approximately Forty (40) square feet. Licensor’s execution of this Amendment will signify Licensor’s approval of Exhibit A. The Premises under the Agreement prior to this Amendment in addition to the New Premises Area under this Amendment shall be the Premises under the Agreement.
- 2. Generator.** Consistent with all applicable codes and standards, and Paragraph 16 of the Agreement, Licensee shall have the right to install, repair, maintain, modify, replace, remove, utilize and operate (including but not limited to operate as may be required by applicable law) equipment within the New Premises Area, including without limitation a concrete pad and generator thereon, including back-up power supply. Licensee shall have the right to access the New Premises Area, and any provisions in the Agreement governing access shall apply to such access. The generator shall remain the property of Licensee, and Licensee shall have the obligation to remove the generator and pad at the conclusion of the Agreement. Licensee shall have the right to remove the generator, but must obtain prior written permission from Licensor to modify the generator or space.

3. **Rent.** Commencing on the Effective Date, the Base Rent of the Agreement shall be increased by Five Hundred Dollars (\$500.00) per month, subject to further adjustments, including annual escalators as provided in the Agreement.
4. **Other.** Licensor represents and warrants that, to its knowledge, no conditions exist within the New Premises Area or otherwise on the property where the Premises and New Premises Area are located that would adversely impact Licensee's permitting and/or installation of a generator within the New Premises Area. Licensor authorizes Licensee to prepare, execute and file all required applications to obtain any government approvals for Licensee's use of the New Premises Area under this Agreement and agrees, at Licensee's request, to reasonably assist Licensee with such applications and with obtaining and maintaining the government approvals. Where applicable law governs how the generator will be used, Licensee may use the generator in the manner set forth in applicable law. Licensee may terminate this Amendment by written notice to Licensor at any time, and the rent increase set forth in Section 3 shall be cancelled on a going forward basis following any such termination. Within one hundred twenty 120 days after termination of this Amendment, Licensee shall remove its equipment from the New Premises Area; provided that any portions of the equipment that Licensee fails to remove within such period and cessation of Licensee's operations at the New Premises Area shall be deemed abandoned. Licensee shall repair any damage, less ordinary wear and tear, to the New Premises Area caused by its removal activities.
