All dogs and cats within the city must be vaccinated against rabies with the approved three-year rabies vaccine at the age of three (3) months and thereafter on an annual basis. This schedule may be modified by the director in the event that circumstances require vaccination on a more frequent basis. Notice of any such modification shall be given by proclamation in a newspaper of general circulation of the city, one (1) time.

(Ord. No. 86-24, § 1, 2-17-86; Ord. No. 2006-O-238, § 1, 9-18-06; Ord. No. 2010-O-029, § 1, 3-15-10)

Sec. 6-22. - Vaccination certificate required; display upon request.

- (a) Registration: Every owner of a dog or cat three (3) months of more of age shall cause such dog or cat to be registered with, and shall pay a registration fee to, City of Laredo Animal Services. Upon payment of the required registration fee and compliance with the rabies inoculation requirement set forth in subsection B of this section, a registration tag shall be issued and will be valid for one year. Every dog or cat shall be registered annually, unless a licensed veterinarian has issued a certificate indicating that a three (3) year rabies vaccine has been administrated to the dog or cat, in which case, registration shall be once every

- three (3) years. This requirement of registration may be satisfied through thee inoculation and tag purchase described in subsection B of this section.

Every dog or cat shall have a second rabies vaccination within one year of the first vaccination and every year thereafter. However, if the vaccine used is one recognized by the State of Texas for a three (3) year period of immunity, and the dog or cat is over twelve (12) months of age a the time of inoculation, the interval between inoculations may be extended to three (3) years. Evidence of such rabies inoculation shall be entered on a certificate, the form of which shall be approved by Laredo Animal Services and which shall contain the microchip number, description of the animal, the name and address of the owner, serial tag number and which shall be signed by the licensed veterinarian administering the vaccine. Veterinarians who inoculate a dog or cat must procure from Laredo Animal Services serially numbered tags, one to be issued with each inoculation certificate. Only one dog or cat shall be included on each certificate. Such tags shall also serve as the registration tag for purposes of this chapter. Tags shall be worn on the collar or harness of the animal for which the tag and rabies inoculation certificate was issued, except when the animal is confined. All fess collected must be sent to Laredo Animal Services within sixty (60) days of acquirement.

If a tag is not issued at the time a dog or cat is inoculated against rabies (for example, if the owner refuses to obtain the tag from the veterinarian or if the veterinarian is located outside the City of Laredo), the owner must register the dog or cat with Animal Services within thirty (30) days of inoculation. In which case, the owner must present an inoculation certificate issued by the I.S. licensed veterinarian that administered such inoculation. Laredo Animal Services will then furnish the owner with a tag, upon payment of the registration fee.

(c) [Community cat caregivers are exempt from the requirements of this section.]

- (c) Registration Fee: The fee for a registration tag shall be assessed at a rate set forth by City of Laredo Animal Services and approved by the City Council and shall include a minimum ten dollars (\$10.00) differential in the fee for dogs or cats that have not been spayed or neutered.

- (f) Change of ownership: If the ownership of a pet changes, the following apply:
