3 9 Certificate of Interested Parties (Form 1295)

In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the State of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm>. Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295): In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295. Filing Process: Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract. The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. Information regarding how to use the filing application will be available on this site starting on January 1, 2016. Additional Information: HB 1295 Certificate of Interested Parties (Form 1295) New Chapter 46, Ethics Commission Rules: 46.1. Application 46.3. Definitions 46.5. Disclosure of Interested Parties Form In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

4 0 Terms and Conditions Request for Proposals

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information

shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx> If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Enrique Aldape III 5512 Thomas Avenue, Laredo, Texas 78041 ealdape@ci.laredo.tx.us . Any vendor submitting questions shall make reference to a specific RFP number, section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the

proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Enrique Aldape III, 5512 Thomas Avenue, Laredo, Texas 78041 ealdape@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

(a) ANNUAL SERVICE CONTRACT: The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded based on **(best value criteria)** as follow and in accordance with the provisions of Chapter 252 and 271 of the Texas Local Government Code.

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to proposal. The place of delivery shall be set forth in the purchase order and/or formal contract agreement when applicable. A duly authorize purchase order number shall reference item/services description, item number, quantity and price. Invoices shall reference the assign purchase order number to avoid any duplication (2 CFR 200.318 (d)). The City shall give written notice to the Vendor if any of the following conditions exist:

Upon receiving written notification from the City that one of the above conditions has occurred, the Vendor must remedy the problem within seven (7) business days, to the complete satisfaction of the City, or the contract will be immediately canceled. (4) Contract terms are the responsibility of the awarded vendor(s) and the respective City user department(s).

This no-contact provision shall conclude when the contract is awarded. The City of Laredo reserves the right to contact respondents and may require such contact as part of the evaluation process (for presentation, clarification) of bids and/or negotiation of RFP submittal(s) prior to the award of contract. 1.5 CONFLICT OF INTEREST FORMS (This is submitted through Cit-E-Bid system) Conflict of Interest Disclosure: A form disclosing potential conflicts of interest involving counties, cities, and other local government entities may be required to be filed after January 1, 2006, by vendors or potential vendors to local government entities. The new requirements are set forth in Chapter 176 of the Texas Local Government Code added by H.B. No. 914 of the last Texas Legislature.

1.6 TEXAS ETHICS COMMISSION (Form 1295, Form can be downloaded and submitted through Cit-E-Bid system) Certificate of Interested Parties (Form 1295) Implementation of House Bill 1295: In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm> In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Terms and Conditions Request for Proposals

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered a standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail. A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract unless requested by the City. For that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

- (a) Vendors shall thoroughly examine the specifications, schedule instructions, and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.
- (b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.
- (c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS. Proposals will be prepared in accordance with the following:

- (a) All information required by the proposal form shall be furnished. For hand-delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on the Cit-E-Bid system.
- (b) Unit prices shall be shown and where there is an error in the extension of price, the unit price shall govern.
- (c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.
- (d) Proposed delivery time must be shown and shall include business days.
- (e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by the City of Laredo no less than seventy-two hours before the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF HAND-DELIVERED PROPOSALS

- (a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed, and include the date and hour of the Proposal opening and the material or services. The proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand-delivered Proposals must be submitted to:
City of Laredo, City Secretary's Office,
City Hall Third Floor, 1110 Houston Street.
- (b) Proposals forms can be downloaded and printed through Cit-E-Bid. Mailed Proposals (i.e. USPS, FedEx, UPS), telegraphic, or facsimile proposals will not be considered.
- (c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

CITY OF LAREDO
PURCHASING DIVISION

- (d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity proposals may be requested by the City.
- (e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP or as a result of the issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

- (a) Vendor misstates or conceals any material fact in the proposal.
- (b) Proposal does not strictly conform to the law or the requirements of the proposal.
- (c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.
- (d) If proposals are conditional. The vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.
- (e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.
- (f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, the vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. The vendor will submit such reports as the City may therefore require assuring compliance with said practices.
- (g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.
- (h) The City may waive any minor informalities or irregularities in any proposal.

Any vendor submitting questions shall refer to a specific RFP number, section, page, and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through the Cit-E-Bid system under the Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal. During the RFP process, the bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

- (b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days before the time that the City Council formally considers the contract to submit a written protest relating to advertising of proposal notices, deadlines, proposal acknowledgment, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. 9.0 INTENT OF CONTRACT

- (a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for the performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with the Vendor that will include by reference the terms of the RFP and related responses. In the event an agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications unless the Vendor qualifies its proposal by specific limitations. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to the proposal. The place of delivery shall be outlined in the purchase order and/or formal contract agreement when applicable.

The City shall give written notice to the Vendor if any of the following conditions exist:

- (1) Vendor does not provide materials in compliance with specifications and/or within the time schedule specified in the proposal;

40.0 Certificate of Interested Parties (Form 1295)

In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the State of Texas website, please use this link provided, <https://www.etbics.state.tx.us/tcc/1295-Info.htm>.

Implementation of House Bill 1295

40.1 Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

40.2 Filing Process:

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

3 9 Certificate of Interested Parties (Form 1295)

In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the State of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm>. Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295): In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295. Filing Process: Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract. The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. Information regarding how to use the filing application will be available on this site starting on January 1, 2016. Additional Information: HB 1295 Certificate of Interested Parties (Form 1295) New Chapter 46, Ethics Commission Rules: 46.1. Application 46.3. Definitions 46.5. Disclosure of Interested Parties Form In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

4 0 Terms and Conditions Request for Proposals

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information

shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx> If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Enrique Aldape III 5512 Thomas Avenue, Laredo, Texas 78041 ealdape@ci.laredo.tx.us . Any vendor submitting questions shall make reference to a specific RFP number, section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the

proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Enrique Aldape III, 5512 Thomas Avenue, Laredo, Texas 78041 ealdape@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

(a) ANNUAL SERVICE CONTRACT: The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded based on **(best value criteria)** as follow and in accordance with the provisions of Chapter 252 and 271 of the Texas Local Government Code.

Definition of best value criteria as per The Institute for Public Procurement is:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Terms and Conditions Request for Proposals

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered a standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail. A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract unless requested by the City. For that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

- (a) Vendors shall thoroughly examine the specifications, schedule instructions, and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.
- (b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.
- (c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS. Proposals will be prepared in accordance with the following:

- (a) All information required by the proposal form shall be furnished. For hand-delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on the Cit-E-Bid system.
- (b) Unit prices shall be shown and where there is an error in the extension of price, the unit price shall govern.
- (c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.
- (d) Proposed delivery time must be shown and shall include business days.
- (e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by the City of Laredo no less than seventy-two hours before the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF HAND-DELIVERED PROPOSALS

- (a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed, and include the date and hour of the Proposal opening and the material or services. The proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand-delivered Proposals must be submitted to:
City of Laredo, City Secretary's Office,
City Hall Third Floor, 1110 Houston Street.
- (b) Proposals forms can be downloaded and printed through Cit-E-Bid. Mailed Proposals (i.e. USPS, FedEx, UPS), telegraphic, or facsimile proposals will not be considered.
- (c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

CITY OF LAREDO
PURCHASING DIVISION

- (d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity proposals may be requested by the City.
- (e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP or as a result of the issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

- (a) Vendor misstates or conceals any material fact in the proposal.
- (b) Proposal does not strictly conform to the law or the requirements of the proposal.
- (c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.
- (d) If proposals are conditional. The vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.
- (e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.
- (f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, the vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. The vendor will submit such reports as the City may therefore require assuring compliance with said practices.
- (g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.
- (h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

- (a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or the Questions & Responses section on the Cit-E-Bid system no later than seven (7) days before the scheduled date for opening to: CITY OF LAREDO INTERIM PURCHASING AGENT

Any vendor submitting questions shall refer to a specific RFP number, section, page, and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through the Cit-E-Bid system under the Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal. During the RFP process, the bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

- (b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days before the time that the City Council formally considers the contract to submit a written protest relating to advertising of proposal notices, deadlines, proposal acknowledgment, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award.

All protests regarding the proposal solicitation process must be submitted in writing by certified mail to:

A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

- (a) Percentage discounts within a certain period will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.
- (b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

- (a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for the performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded based on (Best Value) and in accordance with the provisions of Chapters 252 and 271 of the Texas Local Government Code. **There will be one primary vendor and one secondary vendor for this contract.**

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with the Vendor that will include by reference the terms of the RFP and related responses. In the event an agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications unless the Vendor qualifies its proposal by specific limitations. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to the proposal. The place of delivery shall be outlined in the purchase order and/or formal contract agreement when applicable.

The City shall give written notice to the Vendor if any of the following conditions exist:

- (1) Vendor does not provide materials in compliance with specifications and/or within the time schedule specified in the proposal;

40.0 Certificate of Interested Parties (Form 1295)

In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the State of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tcc/1295-Info.htm>.

Implementation of House Bill 1295

40.1 Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

40.2 Filing Process:

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.
