Subrecipient may not proceed with purchase unless TSLAC notifies Subrecipient of IMLS approval.

1. The costs relate to obligations that were properly incurred by the Subrecipient before the effective date of suspension or termination and were not incurred in anticipation of suspension or termination, and, in the case of a termination, the costs are noncancelable; and,
 2. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.
- D. Relationship to Debarment and Suspension — The enforcement remedies identified in this section, including suspension and termination, do not preclude Subrecipient from being subject to "Debarment and Suspension" under Executive Order 12549 (See TxGMS, Appendix 6, Debarment and Suspension) and State law.
