3** **Terms and Conditions Request for Proposals**

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter

and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>. If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO

PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041

mpescador@ci.laredo.tx.us. Any vendor submitting questions shall make reference to a specific RFP number,

section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041 mpescador@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

(a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded by section and based on **(best value criteria)** as follow and in accordance with the provisions of Chapter 252 and 271 of the Texas Local Government Code. **There will be one primary vendor and three secondary vendors for this contract.** Definition of best value criteria as per The Institute for Public Procurement is:

"Best Value: 1. A procurement method that emphasizes value over price. 2. An assessment of the return that can be achieved over the useful life of the item, e.g., the best combination of quality, service, time, price."

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to proposal. The place of delivery shall be set forth in the purchase order and/or formal contract agreement when applicable. A duly authorize purchase order number shall reference item/services description, item number, quantity and price. Invoices shall reference the assign purchase order number to avoid any duplication (2 CFR 200.318 (d)). The City shall give written notice to the Vendor if any of the following conditions exist:

(1) Vendor does not provide materials in compliance with specifications and/or within the time schedule specified in proposal; (2) Vendor neglects or refuses to remove materials or equipment which have been rejected by the City of Laredo if found not to comply with the specifications; or, (3) Vendor makes an unauthorized assignment. Upon receiving written notification from the City that one of the above conditions has occurred, the Vendor must remedy

the problem within seven (7) business days, to the complete satisfaction of the City, or the contract will be immediately canceled. (4) Contract terms are the responsibility of the awarded vendor(s) and the respective City user department(s).

11.0 PAYMENT & INVOICING

5**Contract Requirements**

1. CODE OF ETHICS ORDINANCE Vendors doing business with the City of Laredo shall comply with all provisions of the City of Laredo's Code of Ethics (Ordinance, as amended). Vendors may be required to participate in Code of Ethics trainings.

1.2 PROHIBITED CONTACTS DURING CONTRACT SOLICITATION PERIOD A person or entity who seeks or applies for a city contract or any other person acting on behalf of such person or entity, is prohibited from contacting city officials and employees regarding such a contract after a Formal Bid, Request for Proposal (RFP), Request for Qualification (RFQ) or other solicitation has been released. This no-contact provision shall conclude when the contract is awarded. The City of Laredo reserves the right to contact respondents and may require such contact as part of the evaluation process (for presentation, clarification) of bids and/or negotiation of RFP submittal(s) prior to the award of contract. If contact is required, such contact will be done in accordance with provisions of Chapter 252 and 271 of the Texas Local Government Code and procedures incorporated into the solicitation document. Violation of this provision by respondents or their agents may lead to disqualification of their offer from consideration.

1.3 NON-COLLUSIVE AFFIDAVIT (Form can be downloaded and submitted through Cit-E-Bid system) The City may require that vendors submit a Non-Collusive Affidavit. The vendor will be required to state that the party submitting a proposal or bid, that such proposal or bid is genuine and not collusive or sham; that said Bidder has not colluded, conspired, connived or agreed, directly or indirectly, with any Bidder or Person, to put in a sham bid or to refrain from bidding, and has not in any manner, directly or indirectly, sought by agreement or collusion, or communication or conference, with any person, to fix the bid price or affiant or of any other Bidder, or to fix any overhead, profit or cost element of said bid price, or of that of any other Bidder, or to secure any advantage against the City of Laredo or any person interested in the proposed contract; and that all statements in said proposal or bid are true.

1.4 CONTRACT DISCLOSURE FORMS (This is submitted through Cit-E-Bid system) The City of Laredo requires the following forms to be completed as a part of this bid for consideration: 1. Company Information Questionnaire, 2. Signed Price Schedule, 3. Conflict of Interest Questionnaire, 4. Non-Collusive Affidavit 5. Discretionary Contracts Disclosure 6. Certificate of Interested Parties (Form 1295) ****Upon Award of RFP Only****

1.5 CONFLICT OF INTEREST FORMS (This is submitted through Cit-E-Bid system) Conflict of Interest Disclosure: A form disclosing potential conflicts of interest involving counties, cities, and other local government entities may be required to be filed after January 1, 2006, by vendors or potential vendors to local government entities. The new requirements are set forth in Chapter 176 of the Texas Local Government Code added by H.B. No. 914 of the last Texas Legislature.

1.6 TEXAS ETHICS COMMISSION (Form 1295, Form can be downloaded and submitted through Cit-E-Bid system) Certificate of Interested Parties (Form 1295) Implementation of House Bill 1295: In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-info.htm>. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

3** **Terms and Conditions Request for Proposals**

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter

and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>. If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041 mpescador@ci.laredo.tx.us. Any vendor submitting questions shall make reference to a specific RFP number,

section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041 mpescador@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

(a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Upon receiving written notification from the City that one of the above conditions has occurred, the Vendor must remedy

the problem within seven (7) business days, to the complete satisfaction of the City, or the contract will be immediately canceled. (4) Contract terms are the responsibility of the awarded vendor(s) and the respective City user department(s).

Certificate of Interested Parties (Form 1295) ****Upon Award of RFP Only****

1.5 CONFLICT OF INTEREST FORMS (This is submitted through Cit-E-Bid system) Conflict of Interest Disclosure: A form disclosing potential conflicts of interest involving counties, cities, and other local government entities may be required to be filed after January 1, 2006, by vendors or potential vendors to local government entities. The new requirements are set forth in Chapter 176 of the Texas Local Government Code added by H.B. No. 914 of the last Texas Legislature.

1.6 TEXAS ETHICS COMMISSION (Form 1295, Form can be downloaded and submitted through Cit-E-Bid system) Certificate of Interested Parties (Form 1295) Implementation of House Bill 1295: In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm>. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Pricing/Catalog

In place of printed price sheets, O'Reilly Auto Parts would like to use our on-line catalog lookup and ordering system, FirstCall Online. Below you will be provided with a brief set of instructions for the FirstCall Online website.

- 1) Please navigate your browser to www.firstcallonline.com
- 2) Log into the customer portal
- 3) From this point you can look up parts by application, interchange, etc.
- 4) For any technical assistance please call: 1-800-934-2451.

The catalog discount will be list price less 41% or better. The cost column will reflect the purchasing entity's price with all discounts.

Warranty

O'Reilly will pass through all available manufacturer's warranties. Because all O'Reilly store locations are corporately owned, warranty claims and replacements can be processed at any O'Reilly Auto Parts location. Warranty details are provided for each part in the online catalog.

Transportation Terms

Delivery and "hot shot" services available at no charge. Transportation terms shall be FOB Destination, shipped by O'Reilly company vehicle. In cases of factory order items, standard shipping rates will apply.

Payment Terms and Invoices

Standard terms for Prompt Payment Discount are 2% 10th, net 20 excluding credit card payments.

Distribution

Distribution will be made by a local O'Reilly Store location, by a company delivery truck.

Core Charges

Core pick-ups will occur as needed, hourly, daily, or weekly. O'Reilly will tailor the pick-up schedule to the needs of each agency. Cores will be credited on the same day they are received. Any core that is damaged or returned in an otherwise non-rebuildable condition will be billed to the customer at the manufacturer's listed core price.

Delivery Time

Normal delivery time for most stocked items is 1 hour. Non-stocked items are usually delivered the next business day. Emergency items usually follow the same guidelines, but are also handled on a case by case basis. Delivery is available only for locations within 10 miles of an O'Reilly location.

Return Policy

O'Reilly will return any item that was purchased through the contract for full credit that has been purchased in the last thirty days, and is unused, undamaged, in its original packaging and in resalable condition. 3**Terms and Conditions Request for Proposals**

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.jonwave.net/Login.aspx> If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically

through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041

mpescador@ci.laredo.tx.us. Any vendor submitting questions shall make reference to a specific RFP number, section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041

mpescador@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations.

The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date

the check is mailed.

9.0 INTENT OF CONTRACT

(a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded by section and based on **(best value criteria)** as follow and in accordance with the provisions of Chapter 252 and 271 of the Texas Local Government Code. **There will be one primary vendor and three secondary vendors for this contract.** Definition of best value criteria as per The Institute for Public Procurement is:

"Best Value: 1. A procurement method that emphasizes value over price. 2. An assessment of the return that can be achieved over the useful life of the item, e.g., the best combination of quality, service, time, price."

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to proposal. The place of delivery shall be set forth in the purchase order and/or formal contract agreement when applicable. A duly authorize purchase order number shall reference item/services description, item number, quantity and price. Invoices shall reference the assign purchase order number to avoid any duplication (2 CFR 200.318 (d)). The City shall give written notice to the Vendor if any of the following conditions exist:

This no-contact provision shall conclude when the contract is awarded. The City of Laredo reserves the right to contact respondents and may require such contact as part of the evaluation process (for presentation, clarification) of bids and/or negotiation of RFP submittal(s) prior to the award of contract. If contact is required, such contact will be done in accordance with provisions of Chapter 252 and 271 of the Texas Local Government Code and procedures incorporated into the solicitation document. Violation of this provision by respondents or their agents may lead to disqualification of their offer from consideration.

Company Information Questionnaire, 2. Signed Price Schedule, 3. Conflict of Interest Questionnaire, 4. Non-Collusive Affidavit 5. Discretionary Contracts Disclosure 6. 1.5 CONFLICT OF INTEREST FORMS (This is submitted through Cit-E-Bid system) Conflict of Interest Disclosure: A form disclosing potential conflicts of interest involving counties, cities, and other local government entities may be required to be filed after January 1, 2006, by vendors or potential vendors to local government entities. The new requirements are set forth in Chapter 176 of the Texas Local Government Code added by H.B. No. 914 of the last Texas Legislature.

1.6 TEXAS ETHICS COMMISSION (Form 1295, Form can be downloaded and submitted through Cit-E-Bid system) Certificate of Interested Parties (Form 1295) Implementation of House Bill 1295: In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tcc/1295-Info.htm>. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

3**Terms and Conditions Request for Proposals**

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule Instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx> If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically

through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041

mpescador@ci.laredo.tx.us Any vendor submitting questions shall make reference to a specific RFP number, section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041

mpescador@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date

the check is mailed.

9.0 INTENT OF CONTRACT

(a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded by section and based on (**best value criteria**) as follow and in accordance with the provisions of Chapter 252 and 271 of the Texas Local Government Code. **There will be one primary vendor and three secondary vendors for this contract.** Definition of best value criteria as per The Institute for Public Procurement is:

"Best Value: 1. A procurement method that emphasizes value over price. 2. An assessment of the return that can be achieved over the useful life of the item, e.g., the best combination of quality, service, time, price."

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to proposal. The place of delivery shall be set forth in the purchase order and/or formal contract agreement when applicable. A duly authorize purchase order number shall reference item/services description, item number, quantity and price. Invoices shall reference the assign purchase order number to avoid any duplication (2 CFR 200.318 (d)). The City shall give written notice to the Vendor if any of the following conditions exist:

(1) Vendor does not provide materials in compliance with specifications and/or within the time schedule specified in proposal; (2) Vendor neglects or refuses to remove materials or equipment which have been rejected by the City of Laredo if found not to comply with the specifications; or, (3) Vendor makes an unauthorized assignment. Upon receiving written notification from the City that one of the above conditions has occurred, the Vendor must remedy the problem within seven (7) business days, to the complete satisfaction of the City, or the contract will be immediately canceled. (4) Contract terms are the responsibility of the awarded vendor(s) and the respective City user department(s).

11.0 PAYMENT & INVOICING

(b) Discount terms will be computed from the date of receipt and acceptance of supplies or services. Payment shall be deemed to be made from that date.

(c) All invoices must show the purchase order number and invoices shall be legible. Items billed on invoices should be specific as to applicable stock, manufacturer catalog or part number. All items must show unit prices. If prices are based on discounts from list, then list prices must appear on bid schedule. All invoices shall be mailed to the Accounts Payable Office, City Hall, P.O. 3**Terms and Conditions Request for Proposals**

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate

contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx> If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees

because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041

mpescador@ci.laredo.tx.us. Any vendor submitting questions shall make reference to a specific RFP number, section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Miguel A. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

"Best Value: 1. A procurement method that emphasizes value over price. 2. An assessment of the return that can be achieved over the useful life of the item, e.g., the best combination of quality, service, time, price."

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of

a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to proposal. The place of delivery shall be set forth in the purchase order and/or formal contract agreement when applicable. A duly authorize purchase order number shall reference item/services description, item number, quantity and price. Invoices shall reference the assign purchase order number to avoid any duplication (2 CFR 200.318 (d)). The City shall give written notice to the Vendor if any of the following conditions exist:

(1) Vendor does not provide materials in compliance with specifications and/or within the time schedule specified in proposal; (2) Vendor neglects or refuses to remove materials or equipment which have been rejected by the City of Laredo if found not to comply with the specifications; or, (3) Vendor makes an unauthorized assignment. Upon receiving written notification from the City that one of the above conditions has occurred, the Vendor must remedy the problem within seven (7) business days, to the complete satisfaction of the City, or the contract will be immediately canceled. (4) Contract terms are the responsibility of the awarded vendor(s) and the respective City user department(s).

All items must show unit prices. If prices are based on discounts from list, then list prices must appear on bid schedule. All invoices shall be mailed to the Accounts Payable Office, City Hall, P.O. This no-contact provision shall conclude when the contract is awarded. The City of Laredo reserves the right to contact respondents and may require such contact as part of the evaluation process (for presentation, clarification) of bids and/or negotiation of RFP submittal(s) prior to the award of contract. If contact is required, such contact will be done in accordance with provisions of Chapter 252 and 271 of the Texas Local Government Code and procedures incorporated into the solicitation document. The new requirements are set forth in Chapter 176 of the Texas Local Government Code added by H.B. No. 914 of the last Texas Legislature.

1.6 TEXAS ETHICS COMMISSION (Form 1295, Form can be downloaded and submitted through Cit-E-Bid system) Certificate of Interested Parties (Form 1295) Implementation of House Bill 1295: In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-info.htm> In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Advance Auto Parts Limited Warranty Policy

General Limited Warranty Period and Applicability

The warranty period is 90 days from your date of purchase or any longer warranty period that may be printed on your original sales receipt. During the warranty period, we will replace or refund, at our option, any new part that fails due to a defect in materials or workmanship under normal use and service after proper installation. Simply return the part along with your original sales receipt to any Advance Auto Parts store. You must be the original purchaser of the part and still own the vehicle on which it was installed. This warranty is not transferrable. Replacement parts are warranted for 90 days from the date of exchange or the remainder of the warranty period on the original part, whichever is longer.

Refunds will only be considered if you bring the defective part to an Advance Auto Parts store along with your original sales receipt within 45 days from the original date of purchase. Refunds will be issued in accordance with our Refund Policy.

Battery Limited Warranty

The battery Free Replacement Period begins the day of purchase and expires at the end of the Free Replacement Period that is printed on your original sales receipt. This period does not renew when the battery is replaced during the Free Replacement Period. If the battery is found defective after the Free Replacement Period but prior to the end of the warranty period, a prorated credit will be issued that can be applied toward the purchase of a new battery. The prorated credit will be determined by dividing the original purchase price by the number of months of the warranty period, then multiplying the result by the months remaining in the warranty period. Partial months are rounded to the nearest whole month. Installation or use of an automotive battery in any other type of vehicle or equipment voids your warranty.

What is Not Covered

- Failure due to: accident or collision; misuse, abuse or modification; chemical fallout; salt, hail, or other environmental conditions including natural disasters; marine use; improper installation; installation of an incorrect part; and damages caused by other faulty parts.
- Parts under manufacturer's recall for a related problem.
- Parts installed on vehicles used off-road or for racing purposes.
- Parts installed on a commercial-use vehicle after 90 days (see below).
- Normal wear and tear.
- Used or salvage parts.

Commercial Use Vehicles

Parts installed on commercial-use vehicles are warranted for 90 days from the date of purchase only, regardless of any longer warranty period that may be printed on your sales receipt.

Part-Specific Requirements

Certain parts must meet specific installation requirements. Failure to provide proof that these requirements have been met will void your warranty.

- **A/C Compressors.** Flushing is required. Must also install a new receiver dryer/accumulator, orifice tube or expansion valve (as applicable).
- **Clutch/Clutch Kits.** The clutch/clutch kit must be installed according to the manufacturer's instructions, including installation of a new pilot bearing and resurfacing of the flywheel. Clutches contaminated by oil and grease are not eligible for warranty replacement/refund.
- **Crankshafts.** The installer must validate that the crankshaft OE number matches and there is no visible damage to the unit prior to installation. Warranty is limited to replacement of the crankshaft and bearings prior to installation. Warranted crankshafts that are returned must include the bearings supplied with the unit.
- **Fuel Pumps.** Replacement of pump strainer (for in-tank electric pumps) and inline fuel filter at time of repair is required. Must also drain and clean fuel tanks.

33	<p>Terms and Conditions Request for Proposals</p> <p>TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.</p> <p>A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.</p> <p>GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:</p> <p>(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.</p> <p>(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.</p> <p>(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter</p>

and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx> If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041 mpescador@ci.laredo.tx.us

In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

3**Terms and Conditions Request for Proposals**

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>. If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face

of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional, Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041

mpescador@ci.laredo.tx.us. Any vendor submitting questions shall make reference to a specific RFP number, section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041 mpescador@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course

of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

(a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded by section and based on **(best value criteria)** as follow and in accordance with the provisions of Chapter 252 and 271 of the Texas Local Government Code. **There will be one primary vendor and three secondary vendors for this contract.** Definition of best value criteria as per The Institute for Public Procurement is:

"Best Value: 1. A procurement method that emphasizes value over price. 2. An assessment of the return that can be achieved over the useful life of the item, e.g., the best combination of quality, service, time, price."

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to proposal. The place of delivery shall be set forth in the purchase order and/or formal contract agreement when applicable. A duly authorize purchase order number shall reference item/services description, item number, quantity and price. Invoices shall reference the assign purchase order number to avoid any duplication (2 CFR 200.318 (d)). The City shall give written notice to the Vendor if any of the following conditions exist:

(1) Vendor does not provide materials in compliance with specifications and/or within the time schedule specified in proposal; (2) Vendor neglects or refuses to remove materials or equipment which have been rejected by the City of Laredo if found not to comply with the specifications; or, (3) Vendor makes an unauthorized assignment. Upon receiving written notification from the City that one of the above conditions has occurred, the Vendor must remedy the problem within seven (7) business days, to the complete satisfaction of the City, or the contract will be immediately canceled. (4) Contract terms are the responsibility of the awarded vendor(s) and the respective City user department(s).

11.0 PAYMENT & INVOICING

(a) All invoices to the City of Laredo have a 30 day term from receipt of supplies or completion of services.

(b) Discount terms will be computed from the date of receipt and acceptance of supplies or services. Payment shall be deemed to be made from that date.

(c) All invoices must show the purchase order number and invoices shall be legible. Items billed on invoices should be specific as to applicable stock, manufacturer catalog or part number. All items must show unit prices. If prices are based on discounts from list, then list prices must appear on bid schedule. All invoices shall be mailed to the Accounts Payable Office, City Hall, P.O. Box 210, Laredo, Texas 78042. (d) Electronic Funds Transfer (EFT) payments are also available; if electronic payments are preferred, an Electronic Funds Transfer (EFT) Authorization form needs to be completed and returned via e-mail to: jjolly@ci.laredo.tx.us For more information please contact Mr. Jorge Jolly, Accounts Payable Manager at (956) 791-7425.

3**Terms and Conditions Request for Proposals**

TERMS AND CONDITIONS OF INVITATIONS FOR PROPOSALS These Terms and Conditions are considered standard language for all City of Laredo solicitation documents. If any specific proposal requirements differ from the general terms listed here, the specific proposal requirements shall prevail.

A response to any Request for Proposal is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City. A contract has its inception in the award, eliminating a formal signing of a separate contract, unless requested by the City. For that that reason, most if not all the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a contract amendment, or by mutually agreed terms and conditions in the contract documents.

GENERAL CONDITIONS Vendors are required to submit Proposals upon the following expressed conditions:

(a) Vendors shall thoroughly examine the specifications, schedule instructions and other contract documents. Once the award has been made, failure to read all specifications, instructions, and the contract documents, of the City shall not be cause to alter the original contract or for a vendor to request additional compensation.

(b) Vendors shall make all investigations necessary to thoroughly inform themselves regarding facilities and locations for delivery of materials and equipment as required by the Proposal conditions. No pleas of ignorance by the vendor of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the vendor to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

(c) Vendors are advised that City contracts are subject to all legal requirements provided for in the City Charter

and/or applicable City Ordinances, State and Federal Statutes.

1.0 PREPARATION OF PROPOSALS Proposals will be prepared in accordance with the following:

(a) All information required by the proposal form shall be furnished. For hand delivered submittals only, the vendor shall print or type the business name and manually sign the schedule. For electronic submittals, this information shall be submitted electronically on Cit-E-Bid system. If submitted electronically, this information shall be submitted electronically on Cit-E-Bid system by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>. If vendor submits both manual and electronic bids, the electronic bid will replace the manual bid and shall be considered the only valid bid.

(b) Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.

(c) Alternate Proposals will not be considered unless authorized by the invitation for proposals or any applicable addendum.

(d) Proposed delivery time must be shown and shall include business days.

(e) Vendors will not include Federal taxes or State of Texas limited sales tax in proposal prices since the City of Laredo is exempt from payment of such taxes. An exemption certificate will be furnished upon request.

2.0 DESCRIPTION OF SPECIFICATIONS & SUBSTITUTIONS It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that would restrict competition. Any such protest regarding the specifications or proposal procedures must be received by City of Laredo no less than seventy-two hours prior to the time set for proposal opening. Vendors are required to state exactly what they intend to furnish. Otherwise, when applicable, vendors will be required to furnish the items as specified.

3.0 SUBMISSION OF PROPOSALS

(a) Proposals and changes thereto shall be enclosed in sealed envelopes, properly addressed and to include the date and hour of the Proposal opening and the material or services. Proposal shall be typed or written on the face of the envelope. Unless otherwise noted on the Notice to Vendors cover sheet, all hand delivered Proposals must be submitted to the City of Laredo, City Secretary's Office, City Hall Third Floor, 1110 Houston Street.

(b) Proposals forms can be downloaded printed through Cit-E-Bid. Proposals can be submitted electronically through Cit-E-Bid by going to the following link: <https://cityoflaredo.ionwave.net/Login.aspx>

Mailed Bids (i.e. USPS, FedEx, UPS), telegraphic, emails or facsimile bids will not be considered.

(c) Samples, when required, must be submitted within the time specified, at no expense to the City of Laredo. If not destroyed or used up during testing, samples will be returned upon request at the Vendors expense.

(d) Proposals must be valid for a period of one hundred and twenty (120) days. An extension to hold proposal pricing for actual quantity bids may be requested by the City.

(e) The City shall pay no costs or other amounts incurred by any entity in responding to this RFP, or as a result of issuance of this RFP.

4.0 REJECTION OF PROPOSALS The City may reject a proposal if:

(a) Vendor misstates or conceals any material fact in the proposal.

(b) Proposal does not strictly conform to the law or the requirements of the proposal.

(c) Vendor is in arrears on existing contracts or taxes with the City of Laredo.

(d) If proposals are conditional. Vendor may qualify their Proposal for acceptance by the City on an "ALL OR NONE" basis. An "ALL OR NONE" basis proposal must include all items in the specifications.

(e) In the event that a vendor is delinquent in the payment of City of Laredo taxes on the day the proposals are opened, including state and local taxes, such fact may constitute grounds for rejection of the proposal or cancellation of the contract. A vendor is considered delinquent, regardless of any contract or agreed judgments to pay such delinquent taxes.

(f) No proposal submitted herein shall be considered, unless the vendor warrants that, upon execution of a contract with the City of Laredo, vendor will not engage in employment practices such as discriminating against employees because of race, color, sex, creed, or national origin. Vendor will submit such reports as the City may therefore require assuring compliance with said practices.

(g) The City may reject all proposals or any part of a proposal whenever it is deemed necessary.

(h) The City may waive any minor informalities or irregularities in any proposal.

5.0 WITHDRAWAL OF PROPOSALS Proposals may not be withdrawn after they have been publicly opened, unless approved by the City Council.

6.0 LATE PROPOSALS OR MODIFICATIONS Proposals and modifications received after the time set for the submittal deadline will not be considered. Late proposals will be returned to the vendor unopened.

7.0 CLARIFICATION AND PROTEST PROCEDURE

(a) It is the responsibility of the prospective proposer to review the entire invitation to proposal packet and to notify the City of Laredo if the specifications are formulated in a manner that appears ambiguous. Any request for clarification or additional information must be submitted in writing through email or Questions & Responses section on Cit-E-Bid system no later than seven (7) days prior to the scheduled date for opening to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041 mpescador@ci.laredo.tx.us. Any vendor submitting questions shall make reference to a specific RFP number,

section, page and item of this solicitation. Questions untimely submitted may not elicit a response. It is the bidder's responsibility to follow up and make certain that the request was received. In case there are changes, additions, and/or edits to the original scope, an addendum will be issued by the Purchasing Agent to all vendors through Cit-E-Bid system under Questions and Responses section to clarify any inquiries. The City will not be responsible for any other interpretations of the proposal. During the RFP process, bidder, or any persons acting on their behalf, shall not contact any City official or employee staff except those specifically designated in this or another subsequent solicitation document. Pursuant to §4.03 of the City Ethics, non-compliance with this provision may result in disqualification of the offer involved.

(b) For solicitations for goods and non-professional services valued at more than \$50,000, bidders will have ten (10) calendar days prior to the time that the City Council formally considers the contract to submit a written protest relating to advertising of bid notices, deadlines, bid opening, and all other related procedures under the Local Government Code, as well as any protests relating to alleged improprieties or ambiguities in the specifications. If the vendor does not file a written protest within this time, the vendor will have waived all rights to formally protest the intent to award. All protests regarding the bid solicitation process must be submitted in writing by certified mail to: CITY OF LAREDO PURCHASING AGENT Miguel A. Pescador, 5512 Thomas Avenue, Laredo, Texas 78041 mpescador@ci.laredo.tx.us Within five (5) business days of receiving a timely protest, the Purchasing Agent shall provide written response to the protesting vendor of the decision following a review of the legitimacy and procedural correctness of the procurement documents. A protesting vendor may appeal to the Laredo City Manager if dissatisfied with the decision of the Purchasing Agent. Only after exhausting all administrative procedures through the City Manager is a protesting vendor then entitled to appeal the award of the contract to the Laredo City Council.

8.0 VENDOR DISCOUNTS

(a) Percentage discounts within a certain period of time will be accepted but cannot be used in RFP evaluations. The period of the discount offered should be sufficient to permit payments within such period in the regular course of business by the City of Laredo.

(b) In connection with any discounts offered, time will be computed from the date of receipt of supplies or service or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date the check is mailed.

9.0 INTENT OF CONTRACT

(a) **ANNUAL SERVICE CONTRACT:** The services are based on the best available information. The purpose of this contract is to establish prices for the commodities or services needed, should the City need to purchase these commodities or services. Since the quantities are estimates, the City may purchase more than the estimated quantities, less than the estimated quantities, or not purchase any quantities at all. The needs of the City shall govern the amount that is purchased and change orders shall not be applicable. The City's obligation for performance of an annual service contract beyond the current fiscal year is contingent upon the availability of appropriated funds from which payments for the contract purchases can be made. If no funds are appropriated and budgeted during the next fiscal year, this contract becomes null and void.

10.0 AWARD OF CONTRACT The contract will be awarded by section and based on **(best value criteria)** as follow and in accordance with the provisions of Chapter 252 and 271 of the Texas Local Government Code. **There will be one primary vendor and three secondary vendors for this contract.** Definition of best value criteria as per The Institute for Public Procurement is:

"Best Value: 1. A procurement method that emphasizes value over price. 2. An assessment of the return that can be achieved over the useful life of the item, e.g., the best combination of quality, service, time, price."

If the awarded responder is unable to meet the requirements of the City, services/products may be purchased from the next best available Vendor until a Vendor is found that can complete the requirements of the City. This RFP shall not to be construed by any party as an agreement of any kind between the City and such party. The award of a contract shall be subject to the approval of the City Council. Following an award, City in its sole option may elect to negotiate a formal agreement with Vendor that will include by reference the terms of the RFP and related responses. In the event an Agreement cannot be reached with the selected Vendor, the City reserves the right to select and negotiate with an alternate Vendor. The City reserves the right to accept any item or group of items in the proposal specifications, unless the Vendor qualifies its proposal by specific limitation. The Vendor shall bear the burden of proof of compliance with the City of Laredo specifications. When applicable, prices must be quoted F.O.B. Destination, Laredo, Texas, unless otherwise specified in the invitation to proposal. The place of delivery shall be set forth in the purchase order and/or formal contract agreement when applicable. A duly authorize purchase order number shall reference item/services description, item number, quantity and price. 1.2 PROHIBITED CONTACTS DURING CONTRACT SOLICITATION PERIOD A person or entity who seeks or applies for a city contract or any other person acting on behalf of such person or entity, is prohibited from contacting city officials and employees regarding such a contract after a Formal Bid, Request for Proposal (RFP), Request for Qualification (RFQ) or other solicitation has been released. This no-contact provision shall conclude when the contract is awarded. The City of Laredo reserves the right to contact respondents and may require such contact as part of the evaluation process (for presentation, clarification) of bids and/or negotiation of RFP submittal(s) prior to the award of contract. If contact is required, such contact will be done in accordance with provisions of Chapter 252 and 271 of the Texas Local Government Code and procedures incorporated into the solicitation document. Violation of this provision by respondents or their agents may lead to disqualification of their offer from consideration.

1.3 NON-COLLUSIVE AFFIDAVIT (Form can be downloaded and submitted through Cit-E-Bid system) The City may require that vendors submit a Non-Collusive Affidavit. The vendor will be required to state that the party submitting a proposal or bid, that such proposal or bid is genuine and not collusive or sham; that said Bidder has not colluded, conspired, connived or agreed, directly or indirectly, with any Bidder or Person, to put in a sham bid or to refrain from bidding, and has not in any manner, directly or indirectly, sought by agreement or collusion, or communication or conference, with any person, to fix the bid price or affiant or of any other Bidder, or to fix any overhead, profit or cost element of said bid price, or of that of any other Bidder, or to secure any advantage against the City of Laredo or any person interested in the proposed contract; and that all statements in said proposal or bid are true.

1.4 CONTRACT DISCLOSURE FORMS (This is submitted through Cit-E-Bid system) The City of Laredo requires the following forms to be completed as a part of this bid for consideration; 1. Company Information Questionnaire, 2. Signed Price Schedule, 3. Conflict of Interest Questionnaire, 4. Non-Collusive Affidavit 5. Discretionary Contracts Disclosure 6. Certificate of Interested Parties (Form 1295) ****Upon Award of RFP Only****

1.5 CONFLICT OF INTEREST FORMS (This is submitted through Cit-E-Bid system) Conflict of Interest Disclosure: A form disclosing potential conflicts of interest involving counties, cities, and other local government entities may be required to be filed after January 1, 2006, by vendors or potential vendors to local government entities. The new requirements are set forth in Chapter 176 of the Texas Local Government Code added by H.B. No. 914 of the last Texas Legislature.

1.6 TEXAS ETHICS COMMISSION (Form 1295, Form can be downloaded and submitted through Cit-E-Bid system) Certificate of Interested Parties (Form 1295) Implementation of House Bill 1295: In an effort to comply with state law the certificate of interested parties must be filled out once a vendor has been granted a contract. All of this information can be found on the state of Texas website, please use this link provided, <https://www.ethics.state.tx.us/tec/1295-Info.htm>. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. In order to comply with state law the Certificate of Interested Parties (Form 1295) must be submitted to the Texas Ethics Commission within 10 days upon receiving notice of award of contract. This form must be submitted within the allotted time otherwise this may result in the cancellation of the contract.

Changes to Form 1295:

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."
