COMMITTEE RECOMMENDATION

The Planning & Zoning Commission in a 8 to 0 vote recommended **approval** of the zone change.

STAFF RECOMMENDATION

Staff **supports** the zone change for the following reasons:

1. The proposed zone change is in conformance with the Comprehensive Plan's designation as Neighborhood Mixed Use (ALL EXCEPT M-1, M-2, B-4, AH, AN, FH, OG, FiH), which allows B-3 zoning districts.
2. The proposed site is abutting B-3 zoning districts to the east and south of the site.
3. The proposed B-3 zoning district is compatible with the established surrounding businesses like Tacos Lira (restaurant), Preciosa Drive Thru (Beer Store), a reception hall, and Razo Auto Sales (car dealership).

Notice to the owner/applicant:

1. The approval of the zone change does not guarantee the issuance of a building permit and requires full compliance with all applicable municipal codes and regulations.

IMPACT ANALYSIS

B-3. The purpose of the B-3 District (Community Business District) is to provide for those businesses and services serving a trade area larger than a neighborhood, but smaller than the entire city and located primarily along minor or principal arterial streets, as classified in the Transportation Plan of the City of Laredo. It is intended for this zoning classification to exist primarily abutting minor or principal arterial streets while preserving established residential neighborhoods along such streets.

Is this change contrary to the established land use pattern?

The site is near commercial businesses like Tacos Lira (restaurant), Preciosa Drive Thru (Beer Store), a reception hall, and Razo Auto Sales (car dealership).

Would this change create an isolated zoning district unrelated to surrounding districts?

No, the proposed zone will not create an isolated zoning district, theres B-3 zoning districts to the east and south of the site.

Will change adversely influence living conditions in the neighborhood?

No, it is not anticipated to have a negative impact in the surrounding area or neighborhood.

Are there substantial reasons why the property cannot be used in accordance with existing zoning?

The applicant did not specify the specific proposed use.
