### **COMMITTEE RECOMMENDATION**

The Planning & Zoning Commission in a 8 to 0 vote recommended **approval** of the special use permit.

### **STAFF RECOMMENDATION**

Staff **supports** the proposed special use permit for the following reasons:

1. Although the site does not meet the minimum distance requirement of 300 feet as per the Laredo Land Development Code Section 24.93.7, subsection (1), it is not anticipated to have a negative impact in the surrounding area or neighborhood because there will be no outdoor patio.
  - The measurement is to be made from the front door of the establishment serving alcohol to the nearest property line (by shortest route) to the front door of the church, public school, entrance to the public park, front door of the residential structure or zoning district boundary and in a direct line across intersections wherever they occur and consistent with the measurement methodology as has been adopted by the Texas Alcoholic Beverage Commission.
  - The distance to the nearest residential zoning district is approximately 162 feet.
2. The proposed use is compatible with the area since there are similar uses within the vicinity.

If approved, Staff suggests the following conditions:

1. The Special Use Permit is issued to Pizza Hut #39502, and may only be transferred upon application to and with the express permission of the City Council.
2. The hours of operation shall be limited to, Sunday through Thursday 10:30 a.m. to 11:00 p.m and Friday through Saturday 10:30 a.m. to 12:00 a.m.

Any change in ownership interest shall be deemed a transfer of the business and shall require Council approval of the transfer of the existing SUP.
20. Failure to comply (# 19 condition) above, shall render the existing SUP null, void and of no force or effect.
21. The use authorized by the special use permit is required to abide by all relevant municipal codes.

Notice to the owner/applicant:

1. The approval of the special use permit does not guarantee the issuance of a building permit and requires full compliance with all applicable permanent codes and regulations.

#### IMPACT ANALYSIS

##### **Is this change contrary to the established land use pattern?**

There are multi-family residential uses to the south and west of the site and a bar to the south of the site.

##### **Would this change create an isolated zoning district unrelated to surrounding districts?**

No, the zone will not change.

##### **Will change adversely influence living conditions in the neighborhood?**

No, it is not anticipated to have a negative impact in the surrounding area or neighborhood because there will be no outdoor patio.

##### **Are there substantial reasons why the property cannot be used in accordance with existing zoning?**

Yes, the underlying zone requires the SUP overlay to allow for a restaurant serving alcohol as intended by the applicant.
