Request for the Donation of Police Vehicles
and Ambulances for Port Colombia-Laredo
December 5th 2024

**Dear Mayor Dr. Victor Treviño and Honorable Members of the
Laredo City Council,**

I am writing to express my gratitude for the ongoing collaboration between our communities and to formally request the generous donation of police patrol vehicles and ambulances that have been designated to support Port Colombia-Laredo and the Gloria-Colombia Highway and its surrounding area. This contribution represents a significant step forward in strengthening the operational capacity and safety infrastructure of our port. Port Colombia-Laredo is a critical hub for international commerce, and as its activity continues to grow, so does the need for reliable security and emergency response services. The addition of these vehicles will greatly enhance our ability to ensure the safety of personnel, businesses, and residents who rely on the port daily.

Your kind donation will not only reinforce the essential services provided in Port Colombia-Laredo but also solidify the bond of cooperation and mutual support between our cities. By working together, we can create a safer and more prosperous environment for the citizens of both Laredo and Port Colombia-Laredo.

We deeply appreciate your consideration of this matter and are committed to coordinating any logistical details to facilitate the transfer of these essential resources. Please do not hesitate to contact me should you have any questions or require additional information.

Once again, thank you for your generosity and continued partnership. I look forward to the opportunity to further our shared vision for progress and development.

Warm regards,

Dr. Marco González Valdez

**Regional Development And Agriculture Secretary for the Government of
Nuevo Leon & Port Colombia-Laredo General Director**
